## Haunted Hill Farm

Our enchanting selection of rattan Halloween decor fits perfectly into any rustic modern farmhouse, transforming your home into a slightly scary yet stylish haunted house.

Our three rattan bats feature natural twigs woven around a wire frame with purple LED lights and two hanging loops on each bat for flexible display options. Hang each bat upright with the top loop, upside-down with the bottom loop, or in-flight with both loops. Mix and match hanging options for a unique display.

Battery operated for convenient placement, your spirited Halloween decoration arrives fully assembled - simply insert 3AA batteries in each bat's battery pack. The purple LED lights on each bat function with a pushbutton timer - on for 6 hours / off for 18 hours.
