

# Haunted Hill Farm®

Halloween decorating is at its easiest with Haunted Hill Farm! Our enchanting selection of rattan Halloween decor fits perfectly into any rustic modern farmhouse, transforming your home into a slightly scary yet stylish haunted house. Our bat-themed rattan wreath features black twigs woven with warm white LED lights and then decorated with black fabric bats.

Battery-operated for convenient placement, your spirited wreath arrives fully assembled with a hanging loop for a festive seasonal decoration. Install 3 LR44 batteries (not included), and then hang this rustic twig wreath on your front door, in your window, or on any wall inside your home or covered porch for eerie whimsical fun.
