

CATCH PWR 100

MFP10P400 - Fishing Kayak

The CATCH PWR 100 fishing kayak is designed for more advanced anglers who are looking for a reliable kayak to seek out the ultimate fishing experiences. Its tunnel hull offers good stability for maximum safety, while its flat bottom gives you the balance you need to cast your lines and haul your catches with ease. Have the luxury of choosing your position with the Ergo360™ seat mounted on sliding rails. Our fishing kayak also stands out thanks to its battery compartment with an 8-inch hatch and side storage compartments. You will also find four recessed rod holders and accessory eyelets, add-ons you'll appreciate a little more with every fishing trip.
