SAFETY INSTRUCTIONS

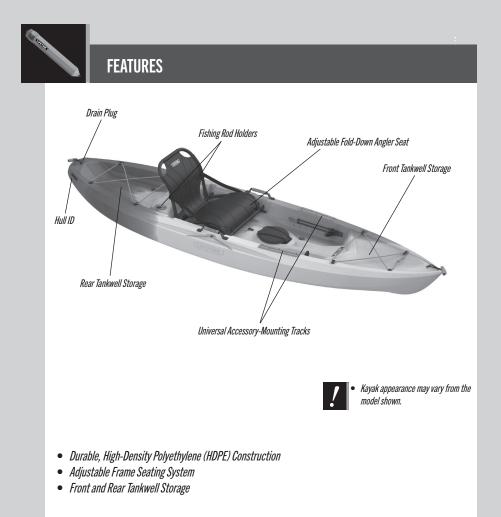

FAILURE TO FOLLOW THESE WARNINGS MAY RESULT IN SERIOUS INJURY OR PROPERTY DAMAGE AND WILL VOID Warranty.

To ensure safety, do not attempt to use this product without following the instructions carefully. Check entire product and inside all packing material for parts and/or additional instruction material. <u>Before using this watercraft, read the instructions and identify</u> <u>parts using the identifier in this document.</u> Proper and complete assembly, use, and supervision are essential to reduce the risk of accident or injury. A high probability of serious injury exists if this system is not assembled, maintained, and/or operated properly.

• Follow any and all warnings and cautions carefully.

• Inspect the hull for damage prior to each use.

Most injuries are caused by misuse and/or not following instructions. Use caution when using this system.

Specifications:

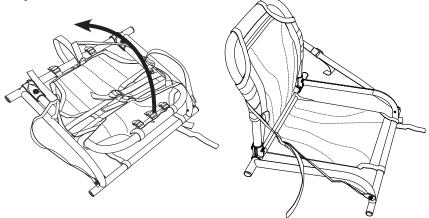

Length: 120 inches (304,8 cm) Width: 31 inches (78,7 cm) Weight: 51 lb (23,1 kg) Maximum Weight Capacity: 275 lb (124,7 kg)*

*Maximum weight capacity depends on water conditions **Never drag any portion of the kayak over asphalt or any rocky, sandy, or abrasive surface

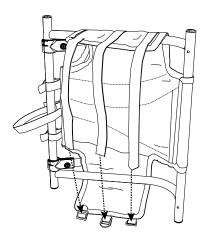

ASSEMBLY & INSTALLATION OF THE SEAT

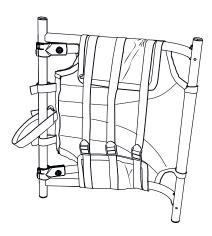

PART 1: ASSEMBLY

• When unpacking the kayak for the first time, remove the seat from the kayak and unfold.

• On the bottom of the seat, wrap the wings of the seat around the seat frame and securely tighten the straps.

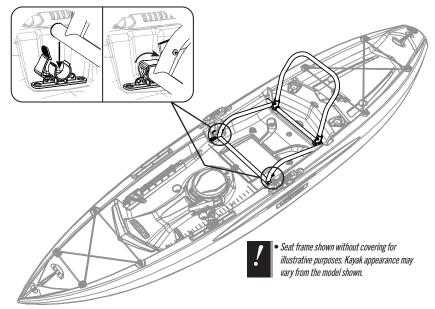

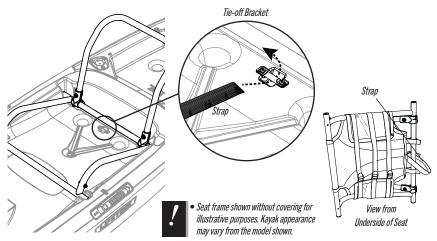

ASSEMBLY & INSTALLATION OF THE SEAT

PART 2: INSTALLATION

• Orient the seat as shown. Press the front end of the frame into the clips indicated, then snap the top of the clip into place. The rear of the seat frame rests in the slots shown.

• Secure the long, center strap on the underside of the seat cover to the tie-off bracket on the hull. This will prevent the seat from sinking in the event that the seat becomes seperated from the hull in the water.

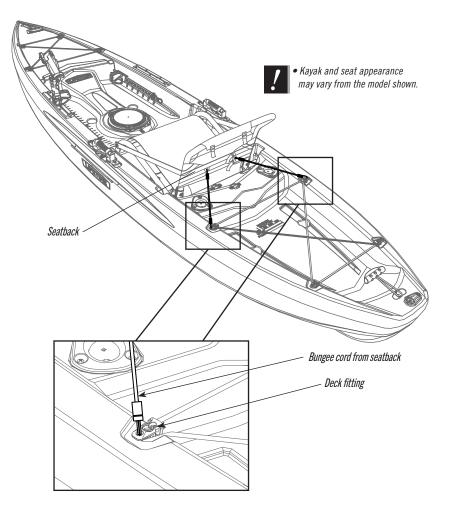

ASSEMBLY & INSTALLATION OF THE SEAT

1

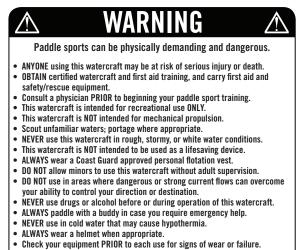

PART 2: INSTALLATION

• The Bungee cord on the back of the seatback may be attached to the deck fittings to help keep the seatback upright during use.

MAINTENANCE

Congratulations on your Lifetime[®] watercraft purchase. By following the instructions below, your new Lifetime[®] watercraft should provide you with years of service and enjoyment.

Cleaning and Care

Most stains can be removed using a mild soap and a soft-bristled brush. Abrasive cleaning materials may scratch the plastic and are not recommended. Avoid placing a direct heat source on or near surfaces unless using a heat barrier.

Helpful Tips For Your Kayak

- ALWAYS store your kayak out of direct sunlight when not in use. Your kayak is manufactured with UV-resistant color, but a kayak stored in direct sunlight will begin to color fade over time.
- Your new kayak is molded of high-density polyethylene resin. PERIODIC cleaning with mild soap and water is recommended to keep your kayak looking new.
- NEVER drag any portion of the kayak over asphalt or any rocky, sandy or abrasive surfaces.
- DO NOT stand or sit on your kayak when out of the water. This can damage the hull.
- During regular use, it is normal to find small amounts of water inside the kayak. Carefully remove the drain plug on the side and tilt the kayak to let the water drain out. Secure the drain plug when finished.
- If your kayak has been exposed to hot sunlight, it is recommended to splash water on the hull to cool the hot surface before it comes in contact with your skin.

5-YEAR LIMITED LIABILITY WARRANTY

THE MANUFACTURER RESERVES THE RIGHT TO MAKE SUBSTITUTIONS TO WARRANTY CLAIMS IF Parts are unavailable or obsolete.

Your new watercraft is warranted against defects in materials and workmanship for a period of five years (60 months) from the original purchase date. Lifetime Products, Inc. will repair or replace any watercraft hull that should fail due to poor quality in materials or workmanship. A warranted watercraft hull that is deemed to have failed due to misuse or abuse will not be covered by the warranty. This warranty does not cover normal wear by use, or abuse, alterations, unauthorized repairs, or use of the watercraft in a manner other than intended by the manufacturer. Retain this warranty and Manufacturer's Certificate of Origin document with your original purchase receipt. Copies of these documents must be sent with any valid warranty claim. Please keep these documents in a safe, secure place. All warranty claims must first be submitted in writing to Lifetime Products, Inc. PO Box 160010 Clearfield, UT 84016-0010 for determination of service or replacement of any defective watercraft hull. This warranty is in lieu of all other warranties expressed or implied, including warranties of merchantability or fitness for use. Neither Lifetime Products, Inc. nor any representative assumes any other liability in connection with this product. This warranty gives you specific legal rights, and you may also have other rights which vary from State to State

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Hull manufactured in the U.S.A.
