REAL ADVENTURES NEEDS A COMFORTABLE SADDLE

The Monarch saddle is built on a Polymer compound slim bars saddle tree that fits Semi quarter and gaited horses that are popular among trail riders. It's 100% waterproof, made of durable waterproof materials and includes stainless-steel hardware. It has a shock absorbing Comfort foam seat for sublime comfort that guarantees the rider a pleasant ride. It's 4 deep inch seat with cayenne roll cantle is designed for a secure ride. It has Neoprene skirts that softens the contact between the saddle bars and the horse's back. This saddle fits Mules, Tennessee Walking horses, Semi quarter horses and many others.
