- **Max Width:** 3"
- **Overall Length:** 11 ¼"
- **Overall Height:** 13 ¾"
- **Shank Size:** 2" SOLID BAR
- **Vertical Adjustment Tube:** SOLID BAR, adjusts by 1-1/2" increments.
- **Drop or Rise Hitch:** Choose the configuration that suits your towing needs.
- **Full Adjustment Capability:** 22" (11 Up and 11 Down)
- **Shank Length:** 6" - Hole Position: 2 1/2"
- **Hitch Receiver Coupler:** 2 Holes for Optimum Use, fits 2.5" Inch Receiver with 2.0" opening.

### Compatibility:

- **Fits ANY Oversized Receiver:** (With Reducer Insert NOT included).

### Safety and Security:

- **Anti-Rattle/Theft Deterrent Bolts:** 2 Stainless Steel Bolts with Allen Wrench INCLUDED.
- **Meets or Exceeds Standards:** Complies with J684 SAE Testing Standards for your peace of mind.
- **Anti-Sway/Tilt Lock Bolts:** Keep lubricated to avoid rusting and seizing.

## Application Areas:

Ideal for Marine, Sport, Agricultural, Recreational, Preppers, and anything in your everyday life. The adjustable (Drop/Rise) design makes it a perfect fit for various applications.

## Warranty and Quality:

- **Lifetime Warranty:** Enjoy a lifetime warranty on construction (not coating).
- **Quality Construction:** Crafted from high-quality structural carbon steel with NO CAST PARTS.
- **Rust-Resistant Coating:** "Tactical Texture" Powder Coating resists rust and corrosion.

## No Guesswork, Just Performance:

"The General" is designed for ease of use and unmatched performance. Adjust your height with precision, ensuring a seamless towing experience without compromising on strength.

## Package Content:

"The General" comes with 2 main parts – 1 Vertical adjustable bar and 1 horizontal vehicle receiver bar. Also included are 4 Pins/Clips, 2 Anti-Rattle/Theft Deterrent Bolts, and 1 Allen Wrench.

## Cautions and Warnings:

- **Configurations:** Some configurations allow accessories to stay in place when not in use, but for safety reasons, Patriot Hitches recommends removing all accessories not in use.
- **Variability in Vehicles:** All vehicles are NOT created equal. An extension tube may be necessary for full functional use in some rare instances.
- **Safety First:** Never exceed hitch ratings or vehicle limitations.
- **Secure Your Load:** For bike racks and cargo racks, use ratchet straps to secure the load and minimize bounce and movement.
- **Maintenance:** Keep Anti-Sway/Tilt Lock Bolts lubricated to avoid rusting and seizing.

## Conclusion:

"The General" is not just a hitch; it's a Heavy Duty companion for your towing adventures. Owned, operated, and designed by Patriot Hitches, it's a testament to quality, strength, and reliability. Compare for yourself – "The General" stands tall, ready for whatever your towing needs throw its way!
