- 1 - Latch
- 1 - 3/8" Screws
- 2 - 5/16" Screws
- 2 - 1" Screws
- 4 - 3/4" Screws
- 2 - Mounting Post

Please carefully check the above list to confirm all items have been received. If any items are missing, please contact Consumer Assistance. (See page for contact information)

Read this manual carefully before installing and operating!

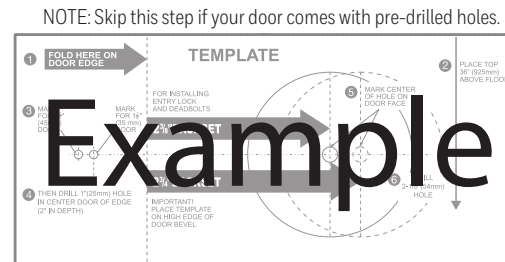

Models 8635024, 8635026, 8635028

1 Installation Overview

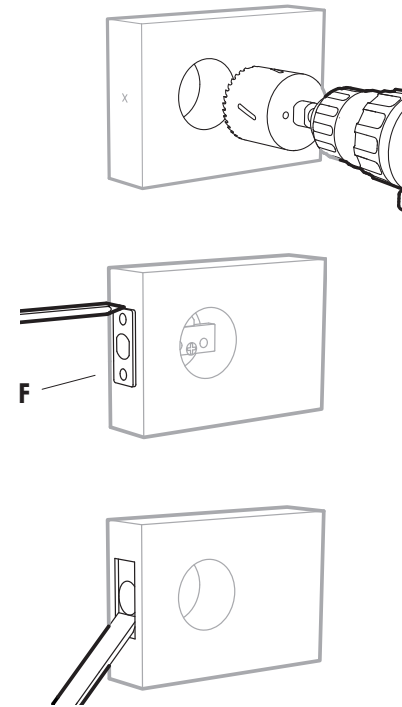

NOTE: Screw Mounting Post (L) into holes on Mounting Plate (C)

2 Preparing Door

Refer to Template included for Door Prep Instructions

3 Install Enclosed Latch and Strike Plate

TO CONVERT FROM 2-3/8" (60mm) BACKSET TO 2-3/4" (70mm) BACKSET

1. Hold latch with numbers facing forward and thumb pressing on the bolt.
2. Rotate the cylinder cover clockwise.
3. Pull and twist the extension plate all the way out.
4. Rotate the cylinder counter clockwise so that the marking aligns with the 2-3/4" position indicator.

Deadbolt Latch Must Be Retracted During Installation

4 Install Exterior Assembly

Check that the Rubber Gasket is secured on the Exterior Assembly. Insert the Exterior Assembly onto the door with the tailpiece going through the Deadbolt Latch Set in the VERTICAL POSITION. Route the Control Wire through the door under the Deadbolt Latch Set.

5 Install Interior Assembly

Work with the door open

6 Install Interior Assembly

NOTE: Make sure the Knob is in the correct position. Be careful not to pinch the control wire when assembling

Test the lock

Lock and unlock using the knob make sure the latch is opening and closing easily. If not, go back to step 2 and ensure you followed the steps

7 Install Batteries and Cover

This Electronic lock requires (4) High Quality AA Alkaline batteries. When all 4 batteries are installed in the correct position, you should hear 2 beeps and the keypad will illuminate.

The Lock motor will engage and do a series of locking and unlocking motions in order to automatically determine your door "Handing" (left or right handed door). When completed the lock will beep and the keypad will flash.

NOTE: Do not touch the Keypad until the light turns off. Do not use rechargeable batteries or non-alkaline batteries.

8 Testing Operation

Test the lock button with door open

Test unlocking Press 1-2-3-4

Before Opening Door Let Motor Complete Cycle

Congratulations, You have Installed the Honeywell Digital Touchscreen Electronic Deadbolt (M8635000, 8635004, 8635018, 8635022, 8635024, 8635028) Turn Sheet over for Programing Instructions.

Programming Instructions

Complete all the programming steps in the programming mode within 5 seconds. Do not press keypad until keypad stops illuminating

Lock Error:	3 long beeps LED flashes red three times
Repeat operation after Lock Error:	2 short beeps three times LED flashes red six times

Troubleshooting

Issue	Solution
Interior Knob will not turn	Knob or vertical tailpiece is installed in incorrect position. • Remove Interior Assembly and reposition the Interior Knob. With the Deadbolt Latch retracted verify that the tailpiece is vertical.
Lock will not function electronically	• Check that all batteries are fresh high quality Alkaline Batteries. • Check for proper polarity (+ -) of all batteries. • Check that the Control Wire is attached to the Interior Assembly and not damaged. • Check each wire for loose or disconnected wires. • Disconnect the wiring harness and reconnect the wiring harness.
Lock gives error signal when opening or locking and Deadbolt Latch will not extend or retract completely when door is closed	• Unlock door using Key or Interior Knob. While door is open, check that the Deadbolt Latch operates smoothly. • Check for proper alignment of the strike plate, adjust as needed to assure there is no binding against the Deadbolt Latch. • Make sure tail piece is in the vertical position and straight up and down.
Deadbolt Latch is sticking	Installation screws of the lock may be too tight and have to be loosened. • Remove Interior Assembly. • Slightly loosen the Mounting Plate screws. • Lock and unlock using the Key. • Reattach Control Wire and Interior Assembly.
Keypad not working	• Wait 60 seconds, keypad may be locked out due to incorrect code. • Replace with 4 high quality alkaline batteries.
Keypad beeps and LED flashes	• Replace with 4 high quality alkaline batteries.

Limited Lifetime Mechanical and Finish Warranty / 1 Year Limited Electronics Warranty

This product comes with a limited lifetime mechanical and finish warranty and a one year limited electronics warranty to the original residential consumer against defects in material and workmanship under normal use as long as the original residential purchaser occupies the residential premises upon which the product was originally installed.

ORIGINAL RESIDENTIAL CONSUMER

This warranty is not transferable, and applies to the original purchaser only, as long as the original purchaser occupies the residential premises upon which the product(s) was originally installed. Proof of purchase (original sales receipt) and ownership must accompany all warranty claims. All non-homeowner purchasers (including purchasers for industrial, commercial and business use) are not covered under the terms of this warranty.

WHAT IS NOT COVERED

This warranty is null and void if the product was used for purposes for which it was not designed. This warranty DOES NOT COVER normal wear and tear of parts or damage resulting from any of the following: negligent use, misuse or abuse of the product, or use contrary to or in violation of written instructions provided by LH Licensed Products, Inc. Further, this warranty does not cover Acts of God, such as fire, flood, hurricanes and tornadoes. This warranty DOES NOT COVER scratches, abrasions, deterioration due to the use of paints, solvents or use of cleaners containing abrasives, alcohol or other solvents, whether performed by a contractor, service company, or yourself. This warranty DOES NOT COVER product(s) used in commercial applications, used in common area applications, disassembly, repair or alteration by anyone other than LH Licensed Products, Inc., improper installation or exposure to extremes of heat or humidity. This warranty DOES NOT COVER any losses, injuries to persons or loss of property, general damages or costs, and shipping and freight expenses required to return product(s) to LH Licensed Products, Inc. LH Licensed Products, Inc. shall not be liable for any indirect, incidental or consequential damages of any nature relating to this lock. LH Licensed Products, Inc. is also not responsible for costs associated with removing or reinstalling the product.

ADDITIONAL TERMS

LH Licensed Products, Inc. does not authorize any person to create for it any obligation or liability in connection with the Product. LH Licensed Products, Inc.'s maximum liability here under is limited to the original purchase price of the Product. No action arising out of any claimed breach of this warranty by LH Licensed Products, Inc. may be brought by the original residential purchaser more than one (1) year after the cause of action has arisen.

AUSTRALIAN CONSUMER LAW

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The Honeywell Trademark is used under license from Honeywell International Inc. Honeywell International Inc. makes no representations or warranties with respect to this product.
