INSTRUCTIONS:

Message to parents: BloPens may stain. Only use on non-porous surfaces and cover your work area and nearby furniture. Wear an apron to protect clothing.

A) BLOPENS SETUP

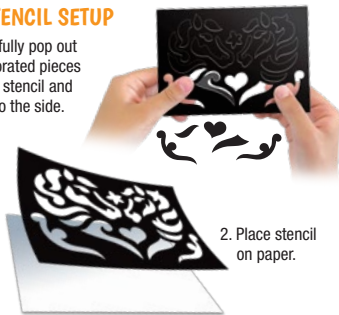

1. Separate the three pieces.
2. Flip marker and place firmly inside nozzle.
3. Close firmly with mouthpiece.

NOTE: To prevent markers from drying out, always store with marker tip pointing inside mouthpiece.

B) STENCIL SETUP

1. Carefully pop out perforated pieces from stencil and put to the side.

2. Place stencil on paper.

C) USING BLOPENS

1. Place your lips around mouthpiece and blow to spray. Take breaks when blowing, just like when you blow bubbles!

Hold BloPen 4-6 inches from stencil for airbrush effect, and 2-4 inches for solid color.

2. Separate BloPen and use the marker to draw in details and/or add your name.

Tip!

Safety

- BloPens contain non-toxic ink and are safe when used according to instructions.
- Never put BloPen markers into your mouth.
- Do not use BloPens on your skin.
- Safely color with friends by keeping your own mouthpiece, and share markers and nozzles!

Cleaning

- Marker mouthpiece and nozzle can be cleaned with soap and water.
- Ink on skin can be cleaned with hand soap and warm water. You can also use rubbing alcohol with an adult's assistance.
- Ink on fabric can be removed with dish soap or laundry detergent and warm water.
- For tougher stains, spray with a stain remover and then wash by following instructions on your garment.
