

# BUSHEL AND BERRY

## PINK ICING®

'ZF06-079' | PP 23,336 | CPBR 5,495 | 500 CHILL HOURS

Pink Icing has breathtaking foliage colors and large, sweet berries. In spring, the foliage has many shades of pink, mixed with blue and deep greens. The leaves turn a stunning iridescent turquoise-blue in winter. Plant this variety in decorative patio pots or in the landscape for year-round color and beauty. Grow in groups or individually- this plant is self-pollinating!
