

16" 1.5Amp Variable Speed Scroll Saw

Your tools. Your shop.™

Model Number: SS0405

Scroll Saw

Looking to add more versatility to your home workshop with tools that offers premium features and superior performance? SHOPMAX is the answer! This 16" Variable-Speed Scroll Saw is a masterpiece of engineering designed to unlock your creativity and bring your woodworking visions to life with unparalleled accuracy and finesse. Crafted with the utmost attention to detail, our scroll saw boasts the 1.65Amp motor, providing plenty of power for the most intricate cuts. Its generous 16-inch scroll capacity offers enough room to tackle large-scale projects with ease, while the variable-speed control, ranging from 400 to 1650 strokes per minute, ensures precise control over every cut. With a table tilt range of 0 to 45 degrees, you'll have the flexibility to deal with tricky angles and bevel cuts effortlessly. Plus, the dual lamp feature illuminates your workspace from multiple angles, ensuring optimal visibility for precise detailing.

- The 16" throat capacity provides a maximum cutting depth.
- 10"x 16.3" steel work table offers a stable work surface.
- 1.65Amp, 120W motor, provides high power.
- Experience a versatile speed range from 400 to 1650 strokes per minute, providing flexibility for your woodworking projects.
- With Double lamp, have plenty of visibility without shadows.
- The cast iron base reduces vibration during cutting, enabling the most precise operation.
- Steel work table effortlessly tilt from 0°-45°.
- Using the Built-in dust port, connect a dust collector for a cleaner workspace environment.
- Tool-free blade clamps, facilitate blade replacement, minimizing downtime.
- 1 pre-assembled pin blade and 4 extra pin blades included.
- 2 pinless blade adapters included.
- 2-year limited warranty
