

# MEET POULTRY'S *Power Couple*

Introducing the Better Flock™ program, the poultry drinking water duo that works together in good times and bad to optimize the health of your flock for the happiest ever after.

## AVAPLEX®

### *Immune Support*

- ✓ Help chick survivability
- ✓ Aid gut health during stressful times
- ✓ Harness natural immunity from "mother hen" with dried egg powder

*fun fact:* With 300 gallons of water, you could produce around 1,200 dozen eggs.

## TOGETHER FOR A BETTER FLOCK™

BETTER EGG COUNT

BETTER EGG QUALITY

BETTER  
CHICKEN HEALTH

BETTER FEATHERS

BETTER COOP

*\*Warning:* Flock may experience extreme happiness.

## NUTRIPLEX-W™

### *Daily Health*

- ✓ Happy daily digestion with prebiotics & probiotics
- ✓ Increase intake of nutrients from feed and snacks with enzymes
- ✓ Reduce ammonia output

*fun fact:* 205 gallons of water would cover about 4 months of water needs for your chickens.
