

25959 - K-KUB-6 Operating Instructions and Precautions 04122307

Charging: This product is rechargeable. Please charge fully before first use to ensure optimal performance. Plug the full sized USB plug of the included charging cable into any USB power source such as a power cube, computer or car charger. Attach the other end magnetically over the raised center of the charging port. A solid red light on the power switch indicates charging is under way which changes to solid green when charging is complete.

LOCK OUT PROTECTION: This flashlight automatically locks after 2 minutes of non-use!

Double click the power button to unlock the flashlight. The light blinks twice to confirm it is unlocked. Click again to select your desired brightness mode. Double clicking the power button also manually locks the flashlight, preventing accidental activation. The light blinks twice to confirm it is locked. For safety reasons, store the flashlight in locked mode & remove batteries. NOTE: The light must be off to lock the flashlight.

Operation: Repeatedly press the power button to cycle between 3 brightness modes and off. Long press the power button when the flashlight is off to activate the turbo brightness mode. Press it again to shut it off.

Battery Life Indicator: A green light on the power switch while the flashlight is in use indicates good remaining battery life. A red light indicates recharging is needed.

Battery Replacement: Unscrew the battery compartment cap at the bottom of the flashlight. Remove the battery and replace it with a new ICR 16340 3.7v 700mAh 2.59Wh battery. Replace the battery compartment cap.

Caution: Lithium batteries can explode or cause burns if shorted, overheated, disassembled, recharged or exposed to fire or high temperature (above 212°). If the flashlight is turned on while in a container or in clothing, the flashlight can overheat, damage the flashlight and/or cause surrounding material to ignite.

Warning! To prevent serious injury, including temporary or permanent loss of sight do not stare into the light, shine light into eyes or focus the beam using an additional lens. Keep away from infants and toddlers as this product contains small parts.

This product is not a toy! Use this light only as it is intended. Inspect before every use. Do not use if parts are damaged, loose or missing.

Save these safety precautions!
