

25966 - K-KOMRADE-6 Operating Instructions and Precautions 04122302

Charging: This product is rechargeable. Please charge fully before first use to ensure optimal performance. Plug the full sized USB plug of the included charging cable into any USB power source such as a power cube, computer or car charger. The charging cable attaches magnetically to the charging port on the flashlight. **NOTE:** Be sure to attach the center of the charging plug directly over the raised area of the magnetic charging port. A flashing red light on the power button indicates charging is underway that changes to solid green when charging is complete.

LOCK OUT PROTECTION: This flashlight automatically locks after 2 minutes of non-use!

Double click the power button to unlock the flashlight. The light blinks twice to confirm it is unlocked. Click again to select your desired brightness mode. Double clicking the power button also manually locks the flashlight, preventing accidental activation. The light blinks twice to confirm it is locked. For safety reasons, store the flashlight in locked mode & remove batteries.

Operation: Pressing the power button repeatedly cycles between high, medium and low brightness modes plus off. To activate the turbo light mode, long press the power button while the flashlight is off or from any light mode.

Battery Life Indicator: A green light on the power switch while the flashlight is in use indicates good remaining battery life. A red light indicates recharging is needed.

Battery Replacement: Please contact the manufacturer for information on rechargeable battery replacement.

Caution: Lithium batteries can explode or cause burns if shorted, overheated, disassembled, recharged or exposed to fire or high temperature (above 212°). If the flashlight is turned on while in a container or in clothing, the flashlight can overheat, damage the flashlight and/or cause surrounding material to ignite.

Warning! To prevent serious injury, including temporary or permanent loss of sight do not stare into the light, shine light into eyes or focus the beam using an additional lens. Keep away from infants and toddlers as this product contains small parts.

This product is not a toy! Use this light only as it is intended. Inspect before every use. Do not use if parts are damaged, loose or missing.

Save these safety precautions!
