

HANGING BIRD FEEDER TRAY

- Designed to feed a variety of birds
- Perforated metal screen provides adequate drainage
- Metal screen helps maintain a clean feeder while preventing disease
- 2.125" tall walls create a secure barrier for your seed, suet, or fruit
- Feeder holds a generous 2.5 quarts of seed to feed multiple birds
- Simple hanging chain makes for easy branch or hook display
- Open design creates easy access for a clean feeder
- Handcrafted from 0.75" eastern white pine for durability
