TIP BEFORE YOU START

- * Ensure that all parts are present prior to assembly.
- * Check all packing material carefully before discarding, as some parts may be encased in the packing material.
- * For ease and speed of assembly, it is recommended that prior to each step all required parts are identified.
- * Ensure that you have sufficient space and people (as indicated on page 1) to assemble product safely.
- * During assembly take care not to over-tighten any fittings, as this may damage the product.

CARE AND MAINTENANCE

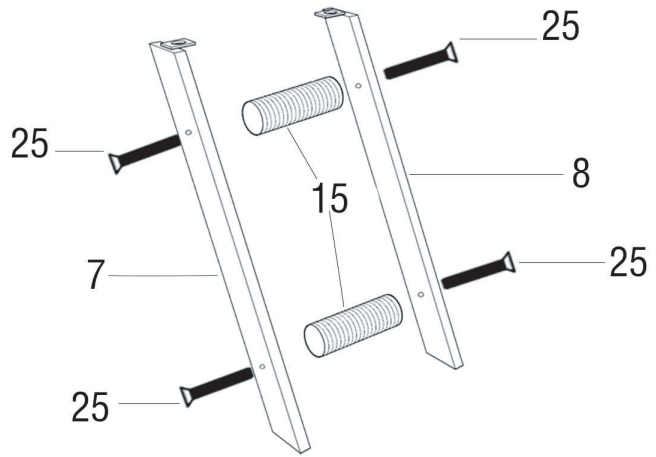

- * Always inspect the product during each use for any obstructions.
- * The manufacturer will not accept responsibility for unauthorized repairs or modifications to this product.
- * To prolong the life of your cat furniture we recommend storage in a dry area when not in use or during austere weather conditions.
