

## Bike-Tree Heavy-Duty Two Tier

The Heavy-Duty Bike Tree is a gravity bike storage rack. The Heavy-Duty can hold up to two bikes and has a maximum capacity of 125 lbs. This system is also great for those who want a quick and easy way to store their bikes. It is the best solution for those who wish for a heavy-duty, reliable bicycle storage solution. It snaps together in minutes, and rotating hubs allow for the storage of a variety of frames including women's bikes and beach cruisers. This product does not mount onto the wall and instead it leans against any wall, leaving no wear and tear or holes on your walls.
