

## Bike Tree Ultra

The Bike-Tree Ultra is a utility wall organizer that provides the ability to store up to 4 bikes, along with tools and equipment for every activity – from lawn care tools to canoes/kayaks and everything in between. The Bike-Tree Ultra is perfect for garages, small storage units, apartments, and offices. Easy assembly and installation with provided mounting equipment lets you transform any space, indoors or out. The Ultra Sport is manufactured from heavy duty powder-coated tubular steel. It snaps together in minutes; it has rotating hubs (up to 20 degrees along the horizontal axis) to allow for the storage of a variety of frames including women's bikes and beach cruisers. This storage system can transform any type of living space, indoor and out, into a clean and organized area.
