

# **Bike Tree** Ultra Max

The Bike-Tree Ultra Max is a utility wall organizer that provides the ability to store up to 4 bikes, along with tools and equipment for every activity – from lawn care tools to canoes/kayaks and everything in between. The Bike-Tree Ultra Max is perfect for garages, small storage units, apartments, and offices. Easy assembly and installation with provided mounting equipment lets you transform any space, indoors or out. The Bike-Tree Ultra Max is manufactured from heavy duty powder-coated tubular steel and comes with 2 unique longer hanger rods that allow for easy storage of huge equipment such as kayaks,canoes or even snowboards. It snaps together in minutes; it has rotating hubs (up to 20 degrees along the horizonal axis) to allow for the storage of a variety of frames including women's bikes and beach cruisers. This storage system can transform any type of living space, indoor and out, into a clean and organized area.
