

Bike Tree Heavy-Duty Ultra Max

Get organized with a smarter storage system, providing the ability to store bikes, tools, and equipment. The Bike-Tree HD Ultra Max is simple to install, requires no hardware to setup, it creates a safe and sturdy balance for 2 bikes and provides you with a customizable storage option for every activity – from lawn care tools to canoes/kayaks or even a ladder and everything in between. The Bike-Tree HD Ultra Max is manufactured from American heavy-duty powder-coated tubular steel. It snaps together in minutes with no mounting required; it has rotating hubs (up to 20 degrees) to allow for the storage of a variety of frames including women’s bikes and beach cruisers. This storage system can transform any type of living space, into a clean and organized area.
