

OVEREZ COMPACT FEEDER

INSRUCTIONAL ASSEMBLY SHEET

UNPACK

Open your package. Inside, you'll find one tan body, two red inserts, one red lid, and six self tapping screws.

ASSEMBLE

Insert the red pieces into the tan body and secure them using a Phillips head screwdriver.

Note: For extra waterproofing, consider applying a thin layer of waterproof caulk around the edge of the red insert.

USE

Load your feeder with 25 lbs of feed, ensuring your chickens receive clean and dry nourishment daily.

OPTIONS

Check out our mounting bracket. Visit our website to discover the exclusive mounting bracket designed for our Compact Feeder.
