

16 In. Brushless String Trimmer

Rugged. Affordable. Durable.

16 In. Brushless String Trimmer

Are you tired of wrestling with heavy, cumbersome, corded string trimmers that make yard work feel like a burden? Say goodbye to the struggle and hello to effortless precision with our state-of-the-art 40V Lithium Handheld String Trimmer! The T4016S Full Boar 40V cordless String Trimmer provides environmental friendliness, quieter operation and ease of use compared to traditional gas-powered trimmers and offers the same performance as gas ones. Using a 40V 2.0Ah rechargeable battery and featuring an intelligent brushless motor, this trimmer offers extended run times, reduced noise levels, and ensures a longer motor lifespan. Experience enhanced performance and durability for all your yard needs. With auto-feed head, no need to manually advance the line, with just a tap on the ground, you can load more line hassle-free, and only focus on achieving a beautiful trimming job. Whether you're clearing your lawn or tidying up your garden, our lightweight string trimmer design ensures a comfortable and secure grip, forget about hand fatigue and enjoy putting the finishing touches on your outdoor space pain-free. 3 adjustable cutting widths, provides versatile trimming options, and higher performance. Upgrade to the T4016S Full Boar 40V cordless String Trimmer today and breeze through your outdoor chores with ease!

FEATURES & BENEFITS

- ▲ Cordless design, allowing you to use this trimmer in various outdoor settings, from large yards to tight spaces, without the limitations of cord length.
- ▲ Lightweight design, coupled with adjustable height and pivoting handle positions, ensures optimal comfort and control during use.
- ▲ Intelligent brushless motor provides optimal power output for superior results.
- ▲ Line diameter: 0.080 in.
- ▲ 14"-15"-16" adjustable cutting width, to meet your various trimming needs.
- ▲ Average run time with 2.0Ah battery: 30minutes
- ▲ Gear drive design provides more torque and maintains cut speed under load, while the dual-line bump feed head clears a full 16 in.
- ▲ Minimal assembly required.
- ▲ Bump-feed head for quick and effortless line reloading.
- ▲ Easy to operate and equipped with the safety switch, ensuring both convenience and safety.
- ▲ Cushioned handle grip provides you with the most comfortable operating experience.
- ▲ T4016S1 includes 40V battery LB4020 and 42V charger LC4010.
- ▲ As a member of Full Boar battery product line, compatible not only with the 40V battery LB4020, but also with the 80V batteries LB8025& LB8040, ensuring you have abundant power for your needs.
- ▲ 3-year warranty
