

The **Deko Living Outdoor Metal Woodburner Sphere Fire Pit** is an ideal choice for outdoor entertaining, and a great way to add a cozy, inviting touch to your backyard. Its unique sphere design ensures 360° of even heat distribution providing hours of warm and relaxing ambiance as the flames from the fire flicker against the night sky. This fire pit is designed with rust and heat resistant powder thermo spray construction, making it durable enough to withstand the elements of nature. The fire pit also has a full sphere spark screen to ensuring safety while you're enjoying your outdoor space. The Deko Living Metal Wood Burner Sphere Fire Pit design makes it easy to install and maintain, as well as ensuring your safety while enjoying the warmth of open flame cooking.
