

Item #10210025_2" Receiver Universal Winch Mount, 3500 lbs.

WARNINGS AND CAUTIONS

- Read and understand all warnings, cautions, assembly, installation and use instructions prior to assembling, installing or using this product. Failure to follow all warnings, cautions and instructions may result in serious injury or damage to personal property.
- Keep this manual for future reference.
- NEVER attempt to modify this product or subject it to an installation or use for which it was not designed. Doing so may result in damage and/or serious injury.
- ALWAYS thoroughly inspect your product for loose parts and/or signs of damage prior to each use, installation or removal. NEVER use until any loose parts have been properly secured or damaged parts have been properly replaced.
- NEVER exceed the tensile capacity limit of 3,500 pounds (1,587 kg).
- NEVER allow other persons to assemble, install or use this product until they have read this manual and have developed a thorough understanding of how the product works.
- NEVER use the winch mount for a purpose for which it was not intended.
- NEVER attempt to assemble, install, load or unload the carrier while you are tired or under the influence of drugs or alcohol.
- ONLY use the winch cradle and accessories in accordance with this instructions, taking into account the working conditions and the work to be performed. Making use of the winch mount base for operations different from those intended could result in a hazardous situation.
- NEVER let children play with or use this product.
- The warnings, cautions, and instructions in this manual cannot cover all possible conditions or situations that could occur. Exercise common sense and caution when using this product. Always be aware of the environment and ensure that the product is used in a safe and responsible manner.

OPERATION

1. Remove the winch mount out of the carton.
2. Insert the mount in the receiver of the vehicle. Secure the winch mount and winch by inserting the pin through the holes.
3. Assemble the winch on the winch mount with bolt and nut (not included).

CARE AND STORAGE

- ALWAYS store your winch mount in a clean, dry place away from solvents, chemicals or other materials that could damage the product.
- ALWAYS thoroughly inspect your product for loose parts and/or signs of damage prior to each use, installation or removal. NEVER use until any loose parts have been properly secured or damaged parts have been properly replaced.
- Keep all moving parts lightly lubricated to prevent corrosion.
- After use, wipe external surfaces with a clean cloth
