INSTRUCTIONS

WARNING:

• The lamp contains a rechargeable Lithium battery. Do not expose the battery to a heat source or sunlight.
• Do not immerse the product into water or handle it with wet hands. Do not use it in wet conditions.
• Do not disassemble or modify the lamp in any way. If repairs are needed, always contact a qualified service technician.

CHARGING LAMP

1. Insert the USB-C end of the provided charging cable into the charging port located on the base of the lamp. Insert the other end into any USB power source (USB adapter, power bank, etc.). See Diagram 1 on right.

2. The battery indicator light will light up red, indicating charging is in process.

3. It will take approximately 3-4 hours to fully charge your lamp.

4. Once the unit is fully charged, the battery indicator light will turn green.
