DOSAGE: Black & Gray Water: Use one scoop (1 ¼ ounce) per 40 gallons of tank capacity. For Best Results Treat After Pump Out. Dosage based on 2 persons with average use. Adjust according to use conditions.

DIRECTIONS FOR USE:

Use only 1 scoop per flush. If your tank is larger than 40 gallons, repeat steps 1, 2 & 3.

- 1) Fill the toilet with one to two gallons of water.
- 2) With the scoop provided, fill it, and pour the powder into the toilet.
- 3) Flush and refill the toilet with a few inches of water.

NOTE: The use of boiling water, bleach, anti-bacterial, or other chemicals will negatively impact performance.

Completely reclose the container after use. Do not store in direct sunlight.

HOLDING TANK TREATMENT POWDER

3X Longer Odor Elimination

4 lbs (55 treatments)

✓ Superior waste reduction

✓ Faster Pump-outs

✓ Safe - All Natural

EcoStrong's Holding Tank Powder is the Gold Standard in Powder RV Tank Treatments.

EcoStrong's Holding Tank Powder combines ALL the best features found in today's cutting-edge odor-eliminating technologies with billions of enzyme-producing bacteria. The result; is an innovative, longer-lasting, more powerful tank and system solution. Our non-clumping powder not only has superior odor elimination but more powerful waste liquefaction and better sensor cleaning. Our 4lb powder container is an economical option offering great value per dose, while still sharing the same active ingredients as our convenient Pods.

Each container comes with a measuring scoop making treatment easy and accurate, when used as directed our powder offers the fastest most complete odor elimination.

Suitable for both gray and black water tanks.

EcoStrong's Holding Tank Powder is all-natural and safe for all types of plumbing and pumping systems.

Ingredients: odor inhibitor, seven strains of natural bacteria, specialized enzymes, micronutrients, biosurfactants, PVA film.

Warning: Keep out of reach of children. Do not ingest. Wash hands thoroughly after each use. Keep out of eyes and/or open sores. May cause eye irritation. If irritation occurs rinse eyes thoroughly with water for several minutes. If irritation persists, seek medical attention. **Storage:** Do not freeze.
