

MARINE BILGE CLEAN

- Eliminates Bilge Odors
- Removes Oil Sheen
- Bio-Enzymatic Cleaning

1 Gallon (3.87 Litres)

Warning: Keep out of reach of children. Do not ingest. Wash hands thoroughly after each use. Keep out of eyes and/or open sores. May cause eye irritation. If irritation occurs rinse eyes thoroughly with water for several minutes. If irritation persists, seek medical attention.

Storage: Do not freeze.

Directions For Use: Shake Vigorously before using. Do not use bleach, anti-bacterial, detergents or chemicals with this product.

Bilge cleaning and sheen elimination: Remove all free oil and fuel before application.

Step 1: Squirt product onto the bilge water and any surrounding surfaces that bilge water may come into contact with while underway. If bilge is dry add a few gallons of water first. Apply a 1/2 ounce per foot of boat length.

Step 2: Initially scrub as much bilge areas as possible. Do not pump bilge for 7 days. Lightly scrub before discharge. Repeat as necessary.

Bilge odor elimination:

Step 1: Wet as much surface area under the floorboards and in the bilge as possible. Keep away from all equipment which is not waterproof.

Step 2 : Squirt product onto bilge water and any surrounding surfaces that bilge water may come into contact with while underway. If bilge is dry add a few gallons of water first. Do not pump bilge for 7 days. Usage will vary depending on the amount of bilge surface you can access and wet. Repeat as necessary.

Biology takes time to consume the hydrocarbons and offending organic matter which contribute to dirty, smelly bilges.

EcoStrong's Marine Bilge Clean is a super concentrated, all natural, bio-enzymatic formulation. It's a 3 in 1 product: lemon eucalyptus deodorizer, odor eliminator and bilge cleaner. Unlike other bilge cleaners that just emulsify the oil and dump it over board, we eliminate it before discharge. The result is no more seasick inducing foul odors or polluting bilge discharges. That's a truly clean bilge!

Ingredients: Water, bio-surfactants, micro-nutrients, enzyme producing bacteria, wide variety of specialized enzymes, odor counteract, lemon eucalyptus fragrance.
