# Steam Mitt

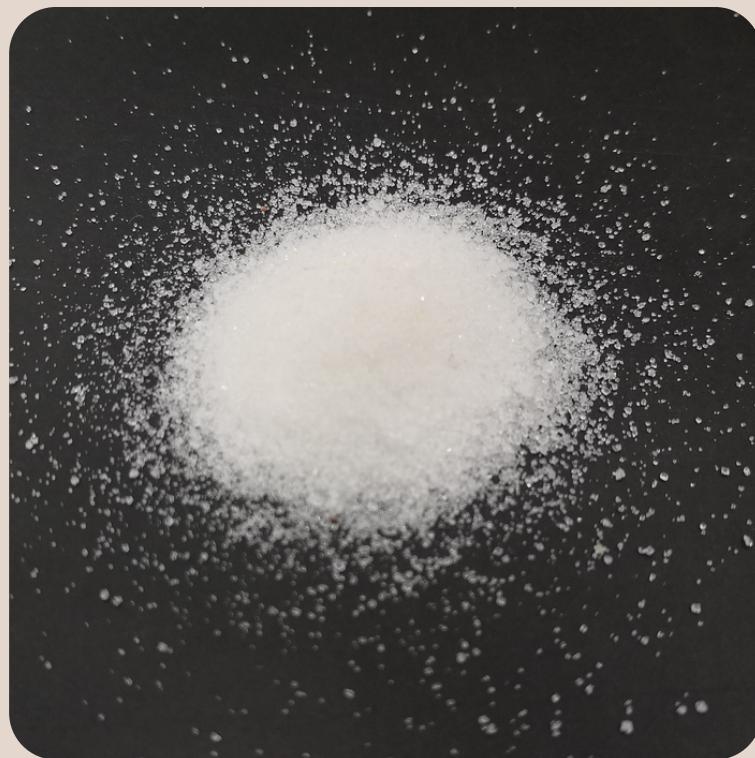

This Steam Mitt is your perfect steaming partner! The firm foam body provides a solid surface to press away those wrinkles while steaming. It's perfect for use on both left and right hand, and compatible to use for all types of fabric! One size fits most hands. Heat resistant foam insulation protects your hand from hot steam.

- Product Size: 9" x 6" x 1" thick
- Cotton, Polyester Construction
- Available in bright sky blue

3 packs of decalcifier

Decalcifier Crystals

## Decalcifier Packets (3 packs)

- Prevent or get rid of mineral deposits in your steamers
- Easy to use; just pour the contents of one packet in the steamer's reservoir, add 400ml of water, and turn the unit on
- 1 year supply of decalcifier (1 packet every 4 months)
