

CPZ-120

Cuisinart® Indoor Pizza Oven

Do pizza night right with the Cuisinart® Indoor Pizza Oven--a must-have for making artisanal 12" pizzas right in your kitchen. Cook authentic Neapolitan pizza in 5 minutes or less and explore other regional favorites like deep dish, Detroit style, and New York style pizzas, all customized with your favorite toppings. This countertop oven uses radiant heat to reach 700°F--the ideal temperature for cooking the crispy crust and bubbling cheese you love for the tastiest, most authentic flavor. Engineered with active cooling technology, ideal for indoor use. Includes a 12.5" heat-conducting pizza stone for delectably crispy crust, deep dish pan, and pizza peel for sliding pies in and out of the oven. Slice through the ordinary with the Cuisinart® Indoor Pizza Oven.

- Versatile pizza oven cooks artisanal pizza in minutes
- Temperature range 350°F-700°F, ideal for cooking a variety of pizza styles
