

# Doctor Bum's

## All Animal Dirt and Odor Eliminator

### Trusted by Veterinarians, Dr. Bum's neutralizes urine and all of your pet odors.

Simply spray directly on your pet in the problem area and wipe off with a washcloth. For use around eyes and ears, apply Doctor Bum's on a wash cloth and wipe off eye discharge and ear wax. All-natural gentle cleanser that whisks away dander, dirt, and grime. Doctor Bum's removes unpleasant odors from your pets' bed, blankets, toys, fur, cages, and furniture.

### Powerful Active Ingredient: Sodium Hydroxide NaOH

Sodium Hydroxide (NaOH) is the powerful natural ingredient in Doctor Bum's Dirt and Odor Eliminator. Dirt and Odor Eliminator is ideal for cleaning nearly all common pet items such as beds, toys, collars, leashes, and more. Doctor Bum's is also ideal for removing grease and dirt from paws, coats, and even ears without the need for strong chemicals. Doctor Bum's targets and helps reduce common pet odors. Use as directed.

### Tough on Grease and Grime yet Gentle on Pets

Doctor Bum's works fast to break down grease and organic materials to clean almost anything your pet touches without the risk associated with materials such as bleach, ammonia, or harsh soaps. Doctor Bum's is tough on dirt and grime, but gentle enough for use around newborn puppies and kittens without worry.

### The Doctor Bum's Advantage

Doctor Bum's is safe for pets and can be licked or ingested. Its formula is non-cytotoxic and the active ingredients are proven to clean and remove dirt and odors without harsh side effects. Doctor Bum's natural ingredients are generally recognized as safe and have no lasting negative effects on skin or sensitive areas.

### Safe for Pregnant, Senior, and Distressed Animals

Doctor Bum's has no reported issues for vulnerable animals that may be pregnant or nursing, senior or distressed when used as directed. Doctor Bum's is natural, safe, and effective for cleaning food bowls and toys, but can even be used on animals' paws, coats, and ears to remove grease, dirt, and grime. Please check with your veterinarian before use.
