CRESTVIEW DROP SHIP WARRANTY POLICY

All defects must be reported and identified to Crestview within 30 days of receipt.

Crestview Collection warrants that its products are free of defects in workmanship and materials for a period of six months from the date of delivery.

Distressed designs and some glazes and finishes can vary from advertised images given the nature of these hand finished goods; these are not manufacturer defects.

All finishes are completed by the application of a final protective coating. For this reason, all products should be cleaned with a soft cloth that is dry and free of any cleaning solutions. Many cleaning solutions will cause the removal of this protective coating, thereby exposing the surface of the lamp or other product to abrasion and corrosion.

Failure to follow these instructions will not warrant replacements from Crestview.
