

Thank you for choosing Sunnydaze Decor. We stand behind our brand and the quality of the items we sell. Replacement parts or products will be sent at our discretion within the 1-year warranty period. Proof of purchase, with the date of purchase as well as photos of the merchandise defect, must be provided. Photos are used to determine the cause of defects and for future quality control. Register your warranty at <https://tiny.cc/SunnydazeWarranty>. If you have any questions, comments or concerns, feel free to contact us by phone at 833-982-1977, by email: [customerservice@sunnydazedecor.com](mailto:customerservice@sunnydazedecor.com), or via our contact us page at <https://tiny.cc/SunnydazeContact>

# COPPER HANGING BIRD BATH/FEEDER CFT-758

Review all information carefully before using this product. Save this manual for future reference.  
**Assemble components on a soft, clean surface to avoid damaging the finish.**

No.	PARTS	QTY.
A	Hanging Ring	1
B	Bowl	1

Inspect packaging to ensure all parts are accounted for before disposing of packing materials.  
Save the packing slip.

**NOTE:** Copper will patina when it is exposed to water and air; this is a natural characteristic of copper and is not cause for return.

## CHOOSING A LOCATION

A shaded location is recommended for this bath/feeder; the metal can become very hot in summer sun. Additionally, warm water is less appealing to birds and is more likely to form algae and bacteria.

## CLEANING

**Feeder:** Cleaning 2 times per month is recommended, more often as traffic increases and immediately if you see signs of mold.

**Bath:** Cleaning 2-3 times per week is recommended to keep the water clean and to reduce patina.

1. Empty the bowl.
2. Wash components using a mixture of 9 parts water to 1 part white distilled vinegar. Scrub with a cloth or a soft-bristled brush.
3. Thoroughly rinse with clean water.
4. If using this unit as a feeder, ensure the bowl is completely dry before refilling with seed.

## SAFETY STATEMENTS & WARNINGS

- Do not exceed the weight capacity of the unit.
- Do not use harsh chemicals or abrasive materials to clean the unit as they may damage the product and void the product warranty.
- Store this unit during freezing temperatures as exposure to freezing temperatures may damage the product and could potentially harm wildlife.
- Manufacturer is not liable for damages or defects caused by exposure to weather elements.

**Any modification to the product or failure to follow recommended care will void the product warranty.**

## WARNING:

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
