Give the horse what it needs.

Take away what it doesn't.

- Simple top-dress feedthrough fly control.
- Controls stable flies, horn flies and house flies.

JustiFLY
EQUINE 8-8-8

Why control flies?

- ✓ Better performance
- ✓ Reduced stress
- ✓ Decreased disease & infection
- ✓ Improved body condition
- ✓ Overall well-being
- ✓ More pleasant environment

JustiFLY® Equine 8-8-8™ is the easiest, most effective way to get flies under control in your horse operation. Simply add to feed daily as a top dress and fly control is done.

See a 90% reduction in flies.

Controls **ALL THREE** flies that affect horses:

Stable Fly

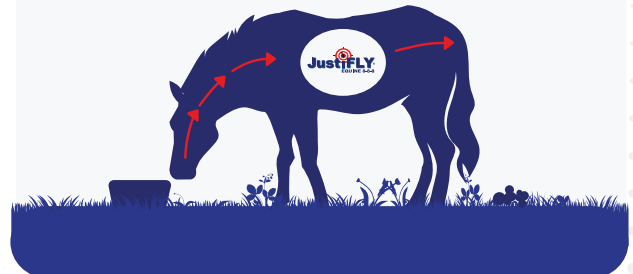

Horn Fly

House Fly

Simple for you. **Effective for them.**

Horses simply ingest the larvicide as they eat feed top-dressed with JustiFLY® 8-8-8™. It passes through their system and starts to work on flies in the horse manure.
