

Lasko®

20" Oscillating Remote Control Pedestal Fan S20620

The Lasko 20" Oscillating Remote Control Pedestal Fan is a great choice for providing cooling airflow for large rooms and spaces. Features an electronic seven-hour timer, convenient multi-function remote, 4-speed comfort control, tilt-back fan head, and optional oscillation for customized airflow. This attractive and effective anywhere else you need to create a cooling effect.
