20" Oscillating Pedestal Fan with Remote Control S20625

Looking a powerful fan that can move a lot of air in large rooms? Then this 20" Oscillating Pedestal Fan with Remote is just right. The large 20" performance blade and 4 speeds combine to provide a light cooling breeze to a powerful air stream--completely customizable for your needs. This fan is perfect for efficiently circulating air conditioned air throughout your home. You can also bring fresh air in through an open window.
