

PROFESSIONAL STRENGTH

# ODOR ELIMINATOR

CHICKEN COOP

STRONGEST  
BIO-ENZYMATIC  
FORMULA

- FAST-ACTING RESULTS
- GARDEN FRESH SCENT

NET WT. 32 OZ / 946 ML

**EcoStrong's Chicken Coop Odor Eliminator** is specifically designed for the unique environment of a chicken coop. Ensuring ammonia in chicken droppings is not mixed with any harsh chemicals is essential, as this could be harmful for your flock.

**EcoStrong's Chicken Coop Odor Eliminator** deploys enzyme producing bacteria that will break down and consume the ammonia and other odor causing agents found in coop bedding. This is safe for people, animals and most importantly, chickens, when used as directed.

- NEUTRALIZES AMMONIA & ODORS
- SUPPORTS FLOCK HEALTH
- IMPROVES GARDEN COMPOST

This product was designed exclusively for chickens and is effective on bedding, rock, grass, stone, wood, and gravel.

#### BEFORE USE:

Shake vigorously. Remove animals from the area before use. For best results, do not apply in direct sunlight as this will dry the area out faster. The longer the treated areas stay damp, the better. This product is ready to use, with no dilution required.

#### HOW TO USE:

**Step 1:** Use the mist setting for larger area, and stream setting for further away, more challenging to reach locations. **Step 2:** Liberally spray **EcoStrong's Chicken Coop Odor Eliminator** on desired area. **Step 3:** Leave to air dry, then allow animals to return.

INGREDIENTS: WATER, SURFACTANTS, ENZYME PRODUCING BACTERIA, ODOR COUNTERACTANTS, GARDEN FRESH FRAGRANCE

#### WARNING: KEEP OUT OF REACH OF CHILDREN.

Do not ingest. Wash hands thoroughly after each use. Keep out of eyes and/or open sores. May cause eye irritation. If irritation occurs rinse eyes thoroughly with water for several minutes. If irritation persists, seek medical attention.

STORAGE: DO NOT FREEZE.
