

SAFETY

ZORGE G2

ZORGE G2

The Edge Zorge G2 is an advanced safety glass that's big on features, but small on price. It was designed for those who work hard and expect their eye protection to do the same. And with a comfortable fit and modern features, it's as worthy of the weekend as the workday.

FEATURES

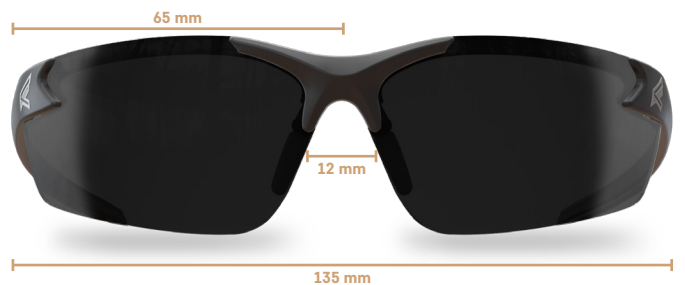

- Thermoplastic rubber (TPR) adjustable nosepiece
- Wraparound frame for improved peripheral vision and protection
- Frame constructed of flexible, durable nylon composite
- Lenses block 99.9% of UVA/UVB/UVC rays

SAFETY COMPLIANCE

- ANSI compliant

DIMENSIONS

1. Tip to Tip 65mm
2. Temple Length 118mm
3. Overall Width 135mm
4. Overall Height 39mm
5. Nose Width 12mm
