

Safety instructions

Important: Read these assembly instruction carefully and keep them in a safe place!

Risk of death!

- Never leave children unattended with the packaging materials. There is a risk of suffocation.
- Keep children away from the product.
- The product is not a toy or a climbing apparatus!

Make sure that persons, especially children, do not stand on the product or pull themselves up on it. The product can topple over.

Risk of injury!

- Make sure the product is properly stabilised before using it!
- Place the product on a solid and level surface. Do not place near stairs.
- Do not place hazardous items, such as candles, on or near the product.
- Check the product regularly for wear. Check regularly to make sure all connections are tight! The product should only be used if it is in perfect condition!
- The product may only be used for its intended purpose.
- Do not exceed the maximum carrying capacity.

Disposal

Dispose of the article and the packaging materials in accordance with current local regulations. Packaging materials such as foil bags are not suitable to be given to children. Keep the packaging materials out of the reach of children.

Dispose of the products and the packaging in an environmentally friendly manner.

The recycling code is used to identify various materials for recycling. The code consists of the recycling symbol - which is meant to reflect the recycling cycle - and a number which identifies the material.

Notes on the guarantee and service handling

The product was produced with great care and under constant supervision.

The warranty applies only to material and workmanship and does not apply to misuse or improper handling. Your statutory rights, especially the warranty rights, are not affected by this warranty.

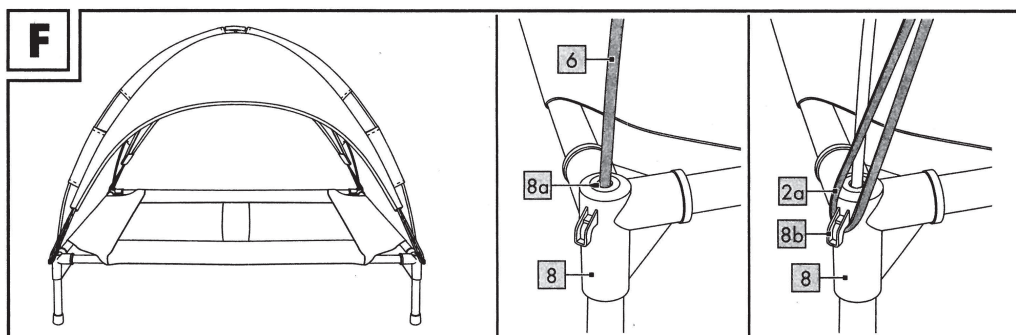

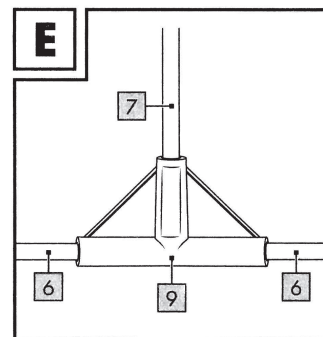

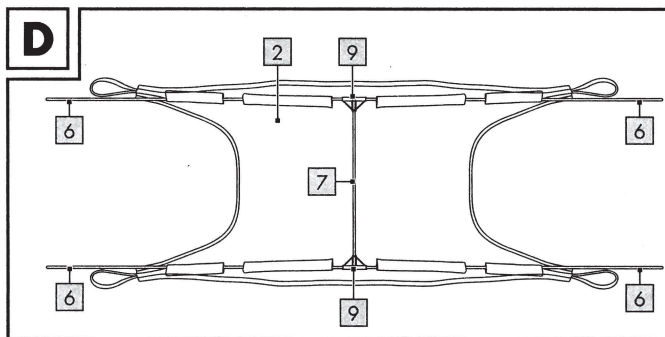

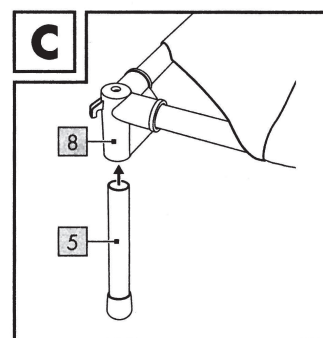

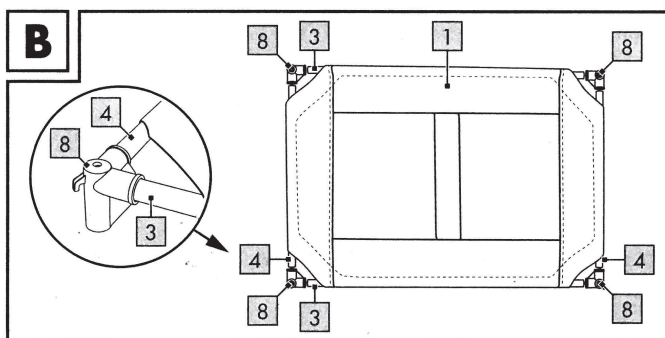

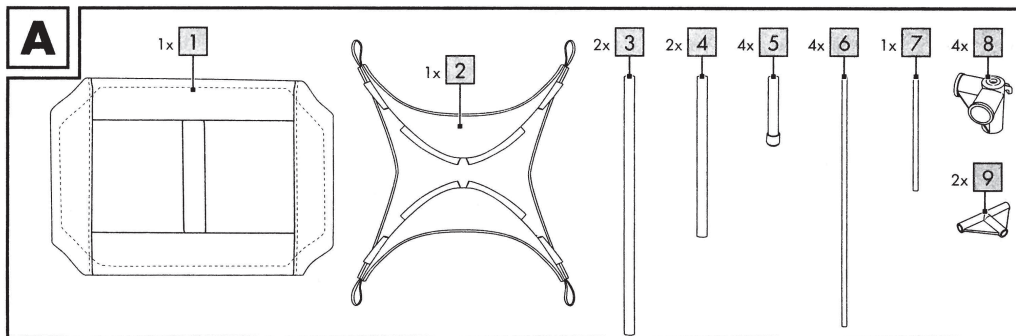

With regard to complaints, please contact the following service hotline or contact us by e-mail. Our service employees will advise as to the subsequent procedure as quickly as possible. We will be personally available to discuss the situation with you.

Any repairs under the warranty, statutory guarantees or through goodwill do not extend the warranty period. This also applies to replaced and repaired parts. Repairs after the warranty are subject to a charge.

ITEM: 110120

DOG BED WITH SUN SHADE

Congratulations!

You have chosen to purchase a high-quality item. Familiarise yourself with the item before using it for the first time.

Read the following instructions for use carefully.

Only use this item in the manner described and for the purpose for which it is intended. Store these instructions for use carefully. When passing the item on to third parties, please also hand over all accompanying documents.

Package contents/parts list (Fig.A)

- 1 x sun roof(2)
- 2 x long rods(3)
- 2 x cross rods(4)
- 4 x feet(5)
- 4 x long connecting rods(6)
- 1 x short connecting rod(7)
- 4 x connectors(8)
- 2 x triangle connectors(9)
- 1 x instructions for use

Technical data

- Total dimensions (bed area and sun roof):
- S: approx. 81x77x63cm(W x H x D)
- M: approx.106x85x75cm(WxHxD)
- L: approx. 122x114x91cm(W x H x D)
- XL: approx. 140x134x105cm(W x H x D)

Max. capacity: 60kg

Intended use

The product is not intended for commercial use. The product can be used as an indoor and outdoor bed for dogs.

Assembly

STEP 1. Remove the packaging and lay all the parts of the product out on the floor(Fig.A).

STEP 2. Put the long rods(3) and the cross rods(4) through the loops on the bed area(1).

STEP 3. Connect the ends of the long rods and the cross rods with a connector(8) each(Fig.B).

Note: See Figure B.The small opening to insert the sun roof must be facing upwards.

STEP 4. Put a foot (5) under each of the connectors(Fig.C).

The dog bed is now completely assembled.

STEP 5. Slide the long connecting rods(6)through the loops on the sun roof(2) (Fig. D).

STEP 6. Put the short connecting rods (7) in the centre of the sun roof and put each of the ends of the connecting rods in a triangle connector, as shown in Figure E.

STEP 7. Put on the sun roof by placing the ends of the connecting rods into the openings provided for them (8a) on the connectors(8)(Fig.F).

STEP 8. Fasten the rubber bands on the sun roof(2a) to the hooks (8b) on the connectors (Fig. F).

Note: You can also use the dog bed without the sun roof.

Disassembly

To disassemble the product, perform the assembly steps in reverse.

Storage, cleaning

When not in use, always store the product clean and dry at room temperature.

Vacuum the product only and do not clean it with harsh cleaning agents. Clean only with a damp cleaning cloth and then wipe dry.
