## TECHNICAL SPECIFICATIONS

Item	Description
Cradle Interior Length:	19.25"
Tire Width Max:	4 inch wide

## GENERAL SAFETY RULES

**WARNING:** Read and understand all instructions. Failure to follow all instructions listed below may result in serious injury.

**CAUTION:** Do not allow persons to operate or assemble this Bike Cradle Kit until they have read this manual and have developed a thorough understanding of how the Bike Cradle Kit works.

**WARNING:** The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions or situations that could occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

## SAVE THESE INSTRUCTIONS

## WORK AREA

- **Keep work area clean**, free of clutter and well lit. Cluttered and dark work areas can cause accidents.
- **Keep children and bystanders** away while operating a Bike Cradle Kit. Distractions can cause you to lose control, so visitors should remain at a safe distance from the work area.
- **Be alert of your surroundings.** Using a Bike Cradle Kit in confined work areas may put you dangerously close to cutting tools and rotating parts.

## PERSONAL SAFETY

- **Stay alert**, watch what you are doing and use common sense when using a Bike Cradle Kit. Do not use a Bike Cradle Kit while you are tired or under the influence of drugs, alcohol or medication. A moment of inattention while operating may result in serious personal injury.
- **Dress properly.** Do not wear loose clothing, dangling objects, or jewelry. Keep your hair, clothing and gloves away from moving parts. Loose clothes, jewelry or long hair can be caught in moving parts.
- **Use safety apparel and equipment.** Use safety goggles or safety glasses with side shields which comply with current national standards, or when needed, a face shield. Use a dust mask if working in dusty work conditions. This applies to all persons in the work area. Also use non-skid safety shoes, hardhat, gloves, dust collection systems, and hearing protection when appropriate.

## Bike Cradle Kit USE AND CARE

- **Do not modify the Bike Cradle Kit in any way.** Unauthorized modification may impair the function and/or safety and could affect the life of the equipment. There are specific applications for which the Bike Cradle Kit was designed.
- **Always check for damaged or worn-out parts before using the Bike Cradle Kit.** Broken parts will affect the Bike Cradle Kit operation. Replace or repair damaged or worn parts immediately.
- **Do not exceed the Bike Cradle Kit load capacity.**
- **Distribute the load evenly.** Uneven loads may cause the Bike Cradle Kit to tip, resulting in personal injury to the operator or others.
- **Use the Bike Cradle Kit on flat and level surfaces** capable of supporting the Bike Cradle Kit and its maximum load. Pulling or pushing a load on a slanted or uneven surface can result in loss of control.
- **Store idle Bike Cradle Kit.** When the Bike Cradle Kit is not in use, store it in a secure place out of the reach of children. Inspect it for good working condition prior to storage and before re-use.

## ASSEMBLY

1. Remove existing cradles from long shaft.
2. Replace with wide cradles.
3. Once cradles are installed on the long shaft, make sure to secure with R-pins.

## MAINTENANCE

- **Maintain your Bike Cradle Kit.** It is recommended that the general condition of any Bike Cradle Kit be examined before it is used. Keep your Bike Cradle Kit in good repair by adopting a program of conscientious repair and maintenance. If any abnormal vibrations or noise occurs, have the problem corrected before further use. Have necessary repairs made by qualified service personnel.

## DIAGRAM & PARTS LIST

Part#	Description	Qty.
