

Tame the Great Outdoors®

24 in. Electric Start RWD 3-in-1 Mower w/ Blower

Self-propelled / SELECT PACE 6 Speed CVT

YG4761-YF1320

Effortlessly Transform Your Lawn with YARDMAX – Power, Precision, and Convenience at Your Fingertips!

Experience ultimate convenience with our Lawn Mower and Blower Combo, featuring interchangeable batteries. Transform your lawn effortlessly with the YARDMAX 24" Electric Start 3-in-1 Rear Wheel Drive (RWD) Self-Propelled lawn mower. Say goodbye to pull cords and enjoy stress-free mowing with advanced electric start technology. This versatile mower offers mulching, rear discharge, and rear bagging options, making grass clippings disposal a breeze. Powered by a robust 201cc OHV YARDMAX engine and equipped with an industry-leading continuously variable transmission (CVT), it delivers exceptional performance with superior speed variability, effortlessly adapting to your pace. Double ball bearing wheels and aggressive spiked tread rubber tires enhance maneuverability and traction, ensuring a flawless cut every season. With YARDMAX, your yardwork becomes effortless and reliable, season after season.

FEATURES & BENEFITS

- Electric Start simplifies the starting process, making your gardening tasks more efficient and stress-free.
- Exclusive and industry-leading CVT (continuously variable transmission) offers superior speed variability to adjust the mower's pace to match your walking speed by simply selecting the 6-speed shift lever.
- Starting made easier with the automatic choke system, no need to prime or choke the engine.
- Exclusive rubber tires with aggressive spike tread pattern significantly increases overall traction and maneuverability.
- Easily clean the underside of the cutting deck with the deck cleanout port.
- Single-lever deck adjustment for quickly setting your mow height.
- To quickly set your mowing height with seven options ranging from 1.57" to 3.74".
- Double ball bearing wheels for an easy and smooth rolling and an extended durability.
- MAXFlow™ Deck Technology – features a volute spiral deck design for better airflow and mulching performance.
- Heavy-duty, 16-gauge stamped steel deck.
- Durable, one-piece seamless steel deck reduces vibration for a smoother mowing experience.
- Large rear bag capacity. Reduces the frequency of emptying during use.
- Space saver, the entire mower can be compactly folded for storage in limited garage spaces.
- Choose rear discharge, mulching, or rear bagging.
- 8" front & 11" rear wheels provide stability and control.
- Adjustable Handle Height: Features a durable 3-position handle for comfortable operation.
- Fully assembled, Ready for immediate use right out of the box.

Tame the Great Outdoors®

YARDMAX outdoor power equipment delivers the perfect combination of practicality and performance, offering durable and affordable product lines engineered to consistently get the job done right, at the right price.

Effortlessly Transform Your Lawn with YARDMAX – Power, Precision, and Convenience at Your Fingertips!

Are you frustrated with cumbersome, corded leaf blowers that restrict your movement and limit your efficiency? Embrace the future of yard maintenance with our state-of-the-art 40V Lithium Handheld Leaf Blower! Introducing the YF1320 Cordless Leaf Blower, designed to revolutionize your outdoor cleanup. Our YF1320 offers all the benefits of an environmentally friendly, quieter operation compared to traditional gas-powered blowers while delivering equivalent performance. Powered by a 20V 2.0Ah rechargeable battery and featuring a cutting-edge brushless motor, it provides extended run time, reduced noise levels, and a longer motor lifespan. With its advanced jet fan design, the YARDMAX YF1320 delivers a 150CFM of airflow, easily handling heavy leaves and debris. Its lightweight design ensures a comfortable grip, reducing hand fatigue and allowing you to finish your yard work with ease. Enjoy the convenience of 7 adjustable speeds for versatile power and performance, perfect for any task from clearing your lawn to tidying up your garden. Upgrade to the YF1320 20V brushless leaf blower today and make light work of your outdoor chores!

FEATURES & BENEFITS

- **Advanced Airflow Technology:** The YARDMAX YF1320 utilizes a cutting-edge fan design and optimized turbine technology to deliver powerful airflow of 150CFM and air speeds up to 130MPH.
- **Intelligent Brushless Motor:** Provides optimal power output for exceptional performance and efficiency.
- **Lightweight and Compact:** Designed for effortless single-handed control, making operation easy and comfortable.
- **Minimal Assembly:** Ready to use with little to no setup required.
- **7 Adjustable Speeds:** Versatile power settings allow you to handle everything from light cleanup around flower beds to stubborn debris with ease.
- **Extended Run Time:** Average run time with the 2.0Ah battery is approximately 44 minutes on the low setting.
- **Cordless Convenience:** Ideal for a range of outdoor settings, from expansive yards to tight spaces, without the limitations of a cord.
- **Easy Operation:** Simply press the start button to begin using the blower effortlessly.
- **Soft-Grip Handle:** Provides a comfortable and secure grip for extended use.
- **Included Accessories:** The YF1320 comes with battery (model n: ZDBP20022001) and charger (Model N: XZ2150-1500G1).

PRODUCT SPECIFICATIONS*

Voltage	20 V
Battery Included	Battery Model No. ZDBP20022001
Battery Amp Hours	2.0 A
Number of Batteries Included	1
Charger Included	Charger Model No. XZ2150-1500G1
Start Type	Electric
Watt Hours	40
Features	7 speed Adjustable
Maximum Air Volume	150 CFM
Maximum Air Velocity	130 MPH
Weight (lbs)	3.7 lbs
