

Van Zyverden's
ALLIUM BLEND

Allium are in the same family as garlic, onions, chives and shallots. This makes gardeners wonder if they should include them in their ornamental gardening plans, as it conjures up images of supermarket produce. Because good garden designs are often made up of different shapes, allium's rounded blooms make for high drama and interest in the garden. The allium group gets more popular annually, from over 300 species to choose. They amaze everyone and few plants create this kind of wow in the garden.

Unique color pairing

Deer and rodent resistant

Show-stopping color

About This Variety: A pairing like no other, Mount Everest and Purple Sensation make for a fancy combination of two very popular Alliums. Each is a best seller in its own right, yet together they create a bold iconic impact.

Growing Instructions: As allium do not like wet feet, find a sunny location where the soil drains well or try to improve the drainage. The bulbs will rot in wet areas. Aside from that, almost no maintenance is required.

Care Tip: Dig, divide, and replant bulbs after a few years of increasing flower production.

Exposure: Full sun to partial shade

Height: Grows 30" tall

Spacing: Plant 12" apart, 7-8" deep

USDA Zones: Hardy in USDA zones 4-9

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
