

Plastic Rebar Chairs

- Rods snap easily into chair
- Can be used at 2in. or 2-1/2in. height
- Holds 3 & 4 rebar

1 Position rebar chairs on ground in form or in trench.

2 Push rebar into chair. Rebar can be used in one or both positions. Holds two #3 & #4 rods.

3 No tying is needed to secure bars. Can also be used with remesh.
