

# Haunted Hill Farm™

Your neighbors will be in for a fright when they see your new Haunted Hill Farm inflatable!

Our pre-lit inflatables are outfitted with lights and will be the centerpiece of your own personal haunted house. It's the perfect trick to give your trick-or-treaters a scare without giving them nightmares. The treat is how quick and easy it is to set up with included ropes and lawn stakes for secure installation. Thanks to the internal lights and fan all you need to do is unpack it, plug it in, stake it down and you're ready for some scary fun all Fall long. Created out of durable, weather resistant polyester, you won't need to worry about holes.

Your inflatable will last year after year and scare after scare. With Haunted Hill Farm, you'll be the scariest house on the block!
