Amazon Rating: 4.6/5 ★★★★★

“I sprayed this into my smelly gym shoes and came back the next day – wow what a difference! This stuff works. It also has no scent itself, it truly smells like nothing, which means this isn’t just masking the odor with another smell. It actually removes the odor.”

“This is a good quality product. It works as advertised. It removes odor fast. All in all, this is a good quality product. I’d buy this again and would recommend it to anyone interested in it.”
