Amazon Rating: 4.5/5 ★★★★★

“Guys, this stuff actually works! I’ve had gross black grout on my tub for a while now after not keeping up with it as much as I should have, and other products helped but didn’t really do the job. But this product works with out have to scrub like crazy!!

“This product! I’ve tried varied mold and mildew cleaners/removers in the past amd this product truly does the job. I did one application and was extremely pleased. One area I thought no hope for, but this product proved me wrong.”
