# SAY GOOD-BYE TO SOAP SCUM

## How To Use:

**SPRAY**  
6-8 inches from surface until thoroughly covered.

**WAIT**  
for 2-3 minutes. No scrubbing required.

**RINSE**  
surface thoroughly with water.

**DRY**  
For best results allow the surface to dry completely.

**RMR Xtreme Soap Scum remover is a premium product that is proudly made by cleaning and stain removal experts in the USA. Our product contains top-quality, highly-effective ingredients that deliver real results that you can see in minutes!**

**Amazon Rating: 4.3/5** ★ ★ ★ ★ ★

“Seriously, this stuff really works. I used it on my shower walls -- tile and glass -- and it dissolved all that white-ish film in minutes. I just had to squirt it on, wait, then rinse. Highly recommend. And the smell is mild, or I should say tolerable, for a product this strong.”

“I needed something for hard water cleaning. This cleaner performed great, it was easy to use and the value / price point was great as it cut down on my scrubbing / cleaning time so it was well with the price. The smell wasn't too bad and once again it worked so the little bit of smell it had was worth it as it really cut my cleaning time down.”
