How To Use:

RMR-86 M Marine mold and mildew stain remover starts working immediately to eliminate deeply embedded mold and mildew stains on marine surfaces, without the need for repeated applications or vigorous scrubbing.

Amazon Rating: 4.5/5 ★★★★★

“I love a product that does what it claims to do and even surprised you! That’s what this product did, truly amazing stuff. After much research I came across a video review about this in some threads of another product and tried it. Just glad I found it and I will speak its praises to the world. If you want something that works look no further”

“Works so fast and easy. I have a older 24’ pontoon boat and mold this year with all the rain was crazy. Seats and all surface areas came out better than ever. Never had a product work this easy.”
