

Please read this instruction manual carefully before using.

- For Ages 6+
- Adult guidance is strongly recommended.

### CONTENTS

- 1 x Flipo Turbo Terrain Stunt Vehicle
- 1 x Remote Control
- 1 x Rechargeable Battery
- 1 x USB Charging Cable
- 1 x Mini Phillips head screwdriver

### FIGURE A

### BATTERY INSTALLATION & CHARGING

#### Remote Control

1. Loosen and remove the lock screw located on the rear of your remote control. Remove the battery compartment lid by pressing the integrated tab in the direction of the “Open” arrow.
2. Insert 2 AA batteries according to the polarity graphic located in the compartment; make sure the (+) and (-) poles of each battery are positioned correctly.
3. Replace the battery compartment cover and screw; tighten screw completely to lock in place.

#### Vehicle

1. Remove the safety screws on the battery compartment cover located on the bottom of the vehicle.
2. Remove battery cover.
3. Remove rechargeable battery from the battery compartment, depress battery connector safety lock, and separate wire connectors.
4. Plug the USB charging cable into a USB port or a USB AC adapter and insert the adapter into an electrical outlet.
5. Connect the battery wire connector to the connector on the USB cable. The red light on the charging cable will light when charging. When the battery is fully charged, the light will turn off.
6. When battery is fully charged, disconnect the battery connector from the USB charging cable, and unplug the cable from the power source.
7. Reconnect battery wire connector to the battery cable in the battery compartment, reinsert battery, replace battery compartment cover, and tighten the screws

### OPERATION

#### Vehicle

The Turbo Terrain is activated by pressing the white ON/OFF button on the top of the vehicle. Press a second time to turn the vehicle OFF.

**IMPORTANT:** The Turbo Terrain vehicle is waterproof, but fully submerging the vehicle is NOT recommended. After use in water, rotate the dials on the dual drain ports located on the rear of the vehicle and drain any excess water. Close drain ports before riding in water. (Figure A)

## Remote Control

1. Press and hold the ON button on the remote control for approximately 1 second to turn the remote ON. The red LED light will illuminate. Press and hold a second time to turn the remote OFF. The red LED will turn off.
2. Quick press the remote's ON/OFF button to turn the vehicle's lights OFF.
3. Quick press the remote's ON/OFF button a second time to turn the vehicle's lights ON.

## Joy Sticks

1. The left joystick controls forward and backward movement. If you continue to push the joystick up or down, the vehicle will continue in that direction.
2. The right joystick controls turning and spinning. When the vehicle is stationary, the right joystick will spin the vehicle in the direction it is pushed. When moving forward or backward, the right joystick will turn the vehicle in the direction it is pushed.

## Auto Demonstration Button

the Turbo Terrain will automatically cycle through a variety of stunt features.

## Practicing Stunts

With more practice, your stunts will improve and the use of more joystick control maneuvers and obstacles will increase.

## WARNINGS:

- Not suitable for children under 3 years of age.
- Installation of batteries should ALWAYS be done by an adult.
- Keep fingers, hair and loose clothing away from the vehicle's tires and wheels.
- Don't pick up the vehicle while in motion.
- Don't place your vehicle or remote control near any source of heat.
- Don't operate your vehicle in dangerous places.
- Do not disassemble the vehicle or remote control.
- If the vehicle is damaged and any broken parts are exposed, the vehicle should not be used.
- Watch for and avoid obstacles.
- For best results, operate on hard flat surfaces. Operation on pliable surfaces such as carpeting or rugs may prevent some stunts.

## BATTERY CARE & SAFETY:

- Do not overcharge the rechargeable battery. When the battery is fully charged, immediately remove it from the charger.
- Only use the rechargeable battery included with your vehicle.
- Only use the USB cord included with your vehicle to charge the rechargeable battery.
- Do not charge battery near flammable materials or leave unattended during charging.
- Charging should always be supervised by an adult.
- Failure to insert batteries in the correct polarity may shorten the life of the batteries or cause batteries to leak.
- Do not mix old and new batteries.
- For best results, use alkaline batteries.
- Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium) or (Nickel Metal Hydride) batteries.
- Do not dispose of batteries in fire.
- Batteries should be recycled or disposed of as per manufacturer's recommendations.
