

HSVFIK VENT FREE INSTALLATION KIT

⚠ WARNING: CONNECTION OF A GAS APPLIANCE SHOULD ONLY BE DONE BY A QUALIFIED INSTALLER

Make sure you have the following items in your kit:

1. 12" Flexible Stainless Steel Connector
2. 3/8" Flare x 3/8" NPT Elbow Fitting
3. 3/8" Flare x 3/8" NPT Straight Fitting
4. 3/8" Flare x 1/2" NPTF Adaptor
5. Thread tape

This kit is designed to aid in the installation and connection of your gas appliance.

IMPORTANT: Use thread tape only on the NPT (pipe) threads. Do not use thread tape on the flare threads (the fittings attached to the stainless steel line).

Follow the instructions provided with your appliance, and follow all local codes. In absence of local codes, refer to NFPA54 (National Fuel Gas Code).

⚠ ADVERTENCIA: LA CONEXIÓN DE UN APARATO DE GAS DEBE SER SOLO POR UN INSTALADOR CALIFICADO

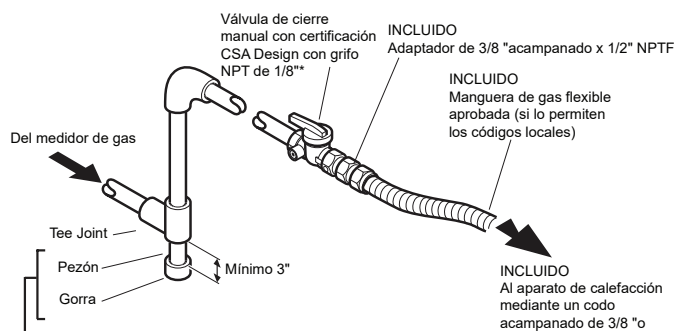

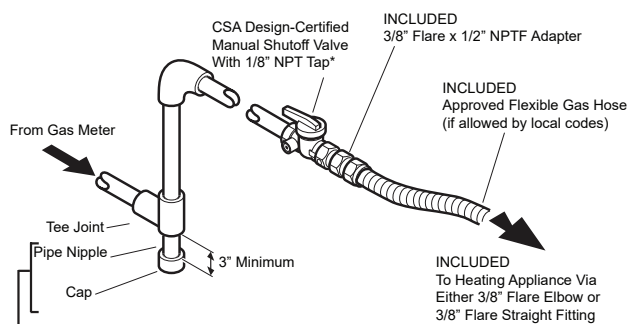

Asegúrese de tener los siguientes elementos en su kit:

1. Conector flexible de acero inoxidable de 12"
2. Adaptador de codo NPT de 3/8" acampanado x 3/8"
3. Conexión recta de 3/8" acampanada x 3/8" NPT
4. Adaptador NPTF de 3/8" Flare x 1/2" NPTF
5. cinta de hilo

Este kit está diseñado para ayudar en la instalación y conexión de su aparato de gas.

IMPORTANTE: Use cinta de rosca solo en las rosas NPT (tubería). No use cinta de hilo en los hilos acampanados (los accesorios unidos a la línea de acero inoxidable).

Siga las instrucciones proporcionadas con su electrodoméstico y siga todos los códigos locales. En ausencia de códigos locales, consulte NFPA54 (Código Nacional de Gas Combustible).
