Assembly Instructions:

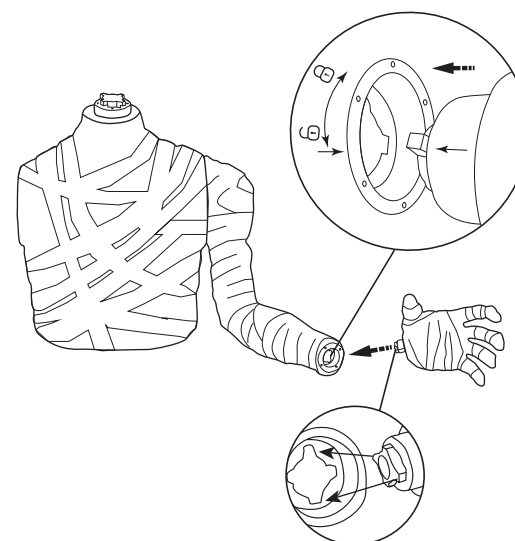

1. Find a flat surface to place the **Chest**.

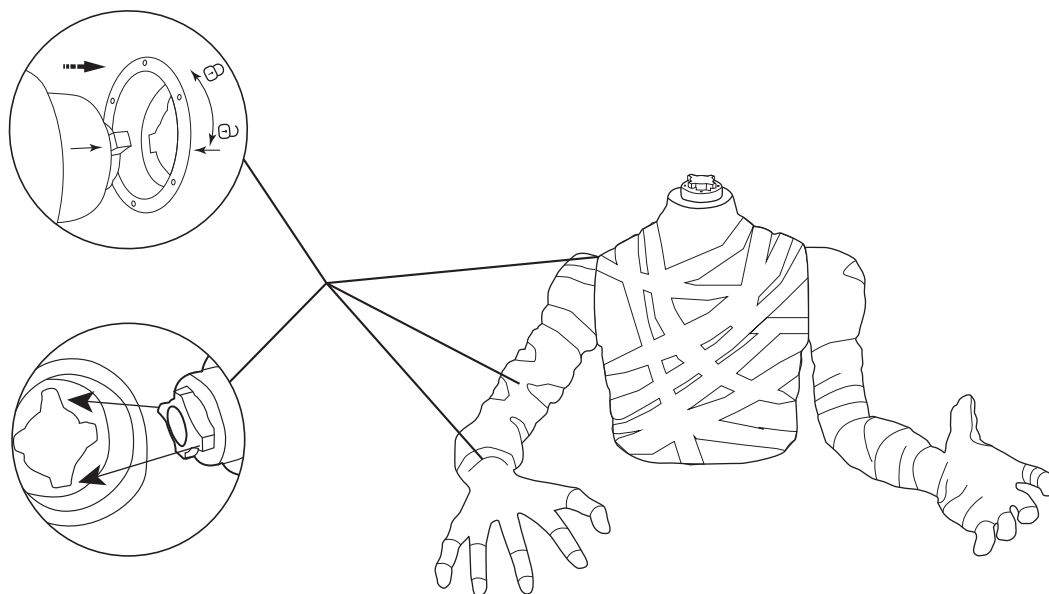

2. To install the **Left Upper Arm**. Align the two arrows indicated on the shoulder and the arm bone. Gently push the arm bone into the shoulder. The shape of the arm peg must align with the hole shape in the shoulder. Now rotate the arm to lock firmly into the shoulder.

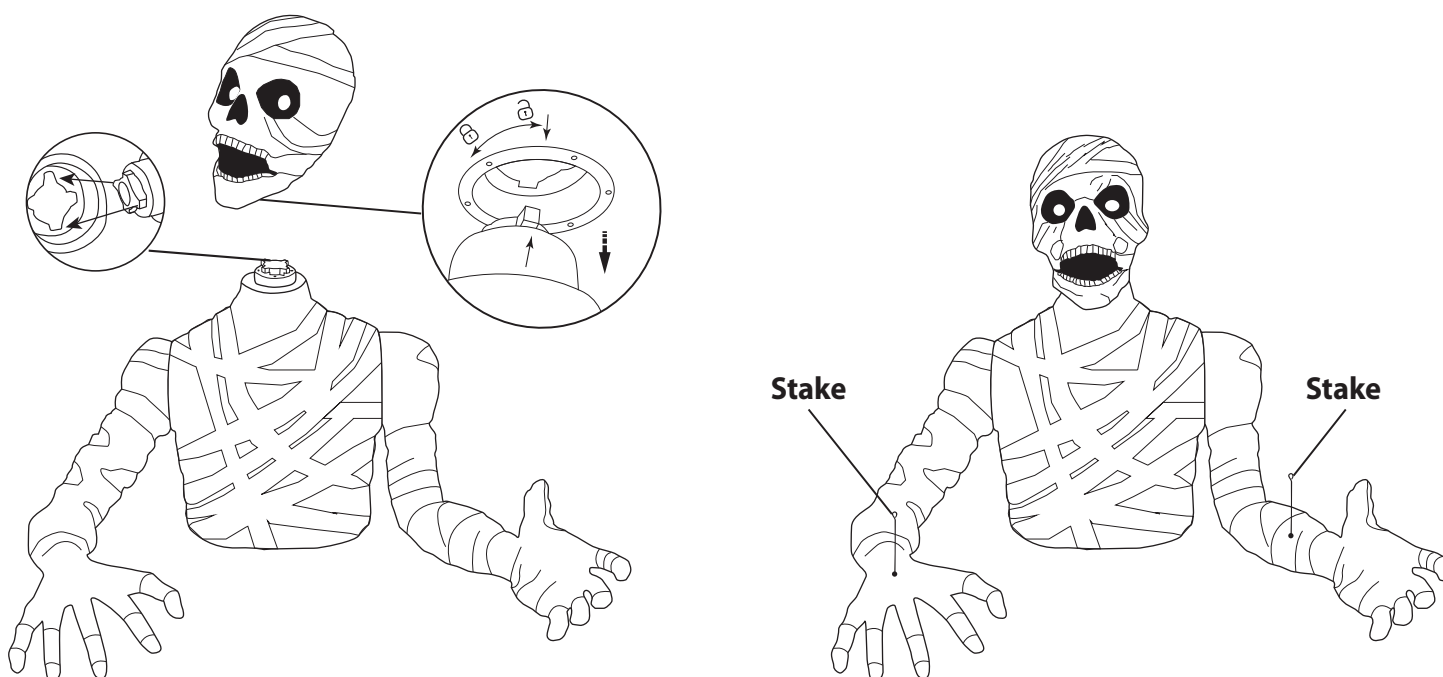

3. Connect the **Left Forearm** and Left Upper Arm by firmly pushing the bones together as shown.

4. Connect the **Left Hand** to the Left Forearm by firmly pushing the bones together as shown.

5. Install **Right Arm and Hand**, the installation method is the same as the Left Hand.

6. Place the **Head** onto the Chest and turn to lock into place using the same method as above. The Mummy Assembly is now complete. For outdoor use, you can use the metal stakes as illustrated above to secure the Mummy as shown. For indoor use, there is no need for the metal stakes.
