

LIMITED WARRANTY

2026 MODEL YEAR GAS VEHICLES - v2601.03

Bighorn Powersports hereby warrants to the original retail purchaser ('Owner') on any Bighorn gas vehicle that the material and components of new Bighorn vehicles will be free from defects in material and workmanship. Bighorn, if notified of a defect in material or workmanship during the period of warranty, will repair or replace, at its option, defective parts at no charge. This Warranty covers only originally factory installed parts and authorized OEM replacement parts.

All Warranty repairs must be performed by the original full sales and servicing Bighorn dealer (hereinafter referred to as 'Dealer') or authorized service center. All warranty service work shall be based upon the published shop rate and must comply with the flat rate labor guide. The original purchase receipt or dated proof of purchase document is required to validate Warranty Coverage.

Applies to new Bighorn gas vehicles sold by authorized Bighorn dealers to the original retail purchaser and registered within 15 days of purchase. For vehicles not registered within 15 days, the standard 1-Year Limited Warranty applies.

Warranty Start & Registration

- Warranty starts from the date of purchase by the original retail purchaser.
- The Owner or Dealer must register at <https://warranty.bighornpowersports.com> within 15 days of purchase.
- Non-transferable: Coverage applies only to the original retail purchaser.

Owner's Responsibility

- The Owner must properly operate, maintain and service the vehicle as defined in the Owner's Manual, and in accordance to the supplements thereto and labels affixed to the vehicle.
- The Owner must maintain all service records of work performed on their vehicle.
- Periodic service and inspections are considered regular maintenance and not reimbursable.
- The Owner must perform the first oil change after the initial break-in period of 25 hours or 200 miles of use, then every 50 hours, 500 miles or 3 months (whichever comes first). Refer to the Owner's Manual for the correct engine oil grade to use depending on the average ambient temperature / operating conditions.
- During the initial break in period, avoid fast acceleration, operating at sustained high speeds, carrying heavy loads or towing a trailer.
- Ensure the battery is fully charged. *Low battery voltage at start-up can damage electronic components.
- When the vehicle is heavily loaded or climbing for an extended time, use Low (L) gear appropriately to prevent premature wear of the clutch and drive belt. *Always maintain at least 3,000 rpm while operating the vehicle in gear.
- Never exceed your vehicle's maximum bed capacity or towing capacity as listed in the 'dimensions' category of your vehicle's specifications.
- Within ten (10) days of the discovery of a defect, the Owners must bring the vehicle to an authorized Bighorn dealer or service center for warranty evaluation and repairs.
- All claims for warranty coverage must be accompanied by a dated, proof of purchase document.

Dealer and Service Center Responsibility

Initial assembly and preparation must be performed in accordance with the Pre-Delivery Inspection and Setup Sheet that is provided by Bighorn. Additionally, all service and maintenance must be performed by an authorized Bighorn dealer or service center.

Authorized dealers selling a unit in-crate or without following and signing Dealer Pre-Delivery Inspection and Setup procedures voids all warranty coverage.

The authorized dealer or service center is responsible for coordinating Warranty coverage with Bighorn. All claims for warranty coverage must be accompanied by a dated consumer's proof of purchase document or receipt, the VIN, mileage, and photos or videos of the issue.

Upon completion, the dealer or authorized service center must submit a copy of the Pre-Delivery Inspection and Setup Sheet signed by the technician that performed the service (at the request and sole discretion of Bighorn), consumer's proof of purchase document or receipt, and an itemized service invoice.

Covered Warranty Parts

Model	Components	Warranty
Bighorn Falcon 170	All covered components	6 months
Bighorn Outrider 200	Motor (Engine)*	1 year limited
Bighorn Homestead 200	Drivetrain components (CVT primary, Transmission, and Differentials)	1 year limited
Bighorn Explorer 400 B	Exhaust system (Muffler, Manifold)	1 year
Bighorn Explorer 400 G	Driven clutch and belt	180 days
Bighorn Explorer 400 Crew	Drive shafts, CV and universal joints	180 days
Bighorn Explorer 400 Limo	Electrical (EFI, Wire Harness, E.C.U.)	90 days
Bighorn Explorer 400 Pro Max	HVAC system	1 year
Bighorn Explorer 450 T		
Bighorn Explorer 550 B/E/DX/DXH		
Bighorn Explorer 400 Winter Edition		
Bighorn Explorer 550 Winter Edition		
Bighorn 200 GVX		
Bighorn 200 GVXL-T		
Bighorn 200 GVXL-T EFI		
Bighorn 200 VXL-T EFI		
Bighorn Denali 650/1000	Battery	30 days
Bighorn 400 F Bighorn 450 VXL-T & GVXL-T Bighorn 450 Crew & Limo Bighorn Pro Max 450 Bighorn Timberland 450 B/LE/LX Bighorn 550 B/E/DX/DXH	Motor (Engine)*	2 years limited
	Drivetrain components (CVT primary, Transmission, and Differentials)	1 year limited
	Exhaust system (Muffler, Manifold)	1 year
	HVAC system	1 year
	Driven clutch and belt	180 days
	Drive shafts, CV and universal joints	180 days
	Electrical (EFI, Wire Harness, E.C.U.)	90 days
	Battery	30 days

*** Engine coverage:**

Covered (internal lubricated components): pistons, rings, pins, connecting rods, crankshaft & bearings, camshaft(s), timing gears/chains/belts & guides (internal), oil pump, balance shaft(s), valves, valve springs/retainers, lifters, rocker arms, pushrods (if applicable), wrist-pin bearings, internal gaskets & seals only when required as part of a covered repair.

Cylinder head(s) and cylinder/block/cases are covered only when damage results solely from the mechanical failure of a covered internal part.

Not covered: Any engine damage caused by outside impact is not covered by warranty. The Engine case itself will only be covered if the damage caused was solely as a result of the mechanical failure of one or more of the internal lubricated components listed above.

Coverage and Limitations:

This limited warranty does not apply to components which are subject to normal wear and tear. These items include, but are not limited to fluids (e.g., engine oil, transmission oil, brake fluid), electrical (e.g., spark plugs, spark plug wire, headlight housing, tail light housing, all light bulbs), filters (e.g., oil filter, air fuel filter), cables, brake system, steering wheel, steering stem bearings, foot pedals, tires, rims, drive chain, seat, lights, fasteners, decals, body panels (e.g. rubber & plastic body components, fenders, windshield, roof top, dump bed, front bumper, front grill).

Any customization or modification of the vehicle of any sort will void the warranty and Bighorn will not be held responsible for any damage caused by this customization or modification.

This limited warranty does not cover component failure or damage caused by any of the following: abnormal strain or stress; neglect; abuse; improper initial setup or assembly of components which were supplied in the factory sealed carton, improper maintenance; improper use of the vehicle in a manner it is not designed for. Additionally, this warranty does not cover component failure or damage to vehicles which are leased or rented, or vehicles which are used at a concession operation.

EXAMPLES OF MISUSE OR ABUSE OF THE VEHICLE

- Jumping
- Stunt riding
- Racing
- Riding at constant wide open throttle
- Damages caused by an accident
- Unit use as rental
- Improper adjustment/operation of the clutch, i.e. dragging, causing premature burning of the friction plates
- Improper adjustment/operation of brakes
- Improper gear engagement, i.e. engaging reverse while traveling forward
- Improper maintenance
- Lack of routine maintenance
- Repairs done by anyone other than Authorized Bighorn dealers and service centers
- Use of incorrect lubricants
- Use of aftermarket parts for repair

Expenses related to towing, storage, rental inconvenience, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by the Limited Warranty.

Bighorn reserves the right to inspect any defective parts before replacing it. In some cases, Bighorn will require the customer to send in the defective part for inspection before an exchange can be made. The inspection process could take 2-4 business days after its arrival to the designated inspection location.

BIGHORN MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED. ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHICH EXCEED THE OBLIGATIONS AND TIME LIMITATIONS SPECIFIED IN THE WARRANTY ABOVE ARE HEREBY DISCLAIMED AND EXCLUDED FROM THIS WARRANTY. ADDITIONALLY, THIS WARRANTY EXCLUDES ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF USE.

This warranty gives you specific legal rights. You may also have other legal rights, which may vary from state to state.

U.S EPA EMISSIONS LIMITED WARRANTY

The emissions limited warranty is in addition to the Bighorn standard limited warranty for your vehicle. Bighorn warrants that at the time it is first purchased, this emissions-certified vehicle is designed, built, and equipped so it conforms to applicable U.S. Environmental Protection Agency emission regulations. Bighorn warrants that the vehicle is free from defects in materials and workmanship that would cause it to fail to meet these regulations.

The warranty period for off road vehicles 100cc or greater emissions-certified vehicles starts on the date of purchase by original retail purchaser and continues for a period of 500 hours of engine operation, 3,100 miles of vehicle travel, or 30 calendar months from the date of purchase, whichever comes first.

This EPA emissions warranty period is extended for, at a minimum, the standard factory warranty that Bighorn provides on the vehicle. The EPA emissions warranty period does not further extend if you purchase additional warranty coverage in the form of a service contract or other paid warranty extension, but emission related parts may be covered subject to the terms of any such paid service contract or paid warranty extension. The emissions limited warranty covers components whose failure would increase the vehicle's regulated emissions. This covers components of systems whose only purpose is to control emissions. Repairing or replacing other components not

covered by this warranty is the responsibility of the vehicle owner. The emissions limited warranty does not cover components whose failure does not increase the vehicle's regulated emissions.

For exhaust emissions, emission-related components include any engine parts related to the following systems: air-induction system, fuel system, ignition system, exhaust gas recirculation system.

The following parts are also considered emission-related components for exhaust emissions:

- Fuel Tank
- Vapor Hoses
- Vacuum Control Diaphragms*
- Pressure Relief Valves*
- Fuel Cap
- Liquid/Vapor Separator
- Control Cables*
- Control Valves*
- Fuel Line
- Control Linkages*
- Fuel Line Fittings
- Purge Valves
- Carbon Canister
- Control Solenoids*
- Electronic Controls*
- Canister Mounting Brackets
- Clamps*
- Carburetor Purge Port Connector

* Related to the evaporative emission control system

Emission-related components also include any other part whose only purpose is to reduce emissions or whose failure will increase emissions without significantly degrading engine/equipment performance. The exclusive remedy for breach of this limited warranty shall be, at the exclusive option of Bighorn, repair or replacement of any defective materials, components, or products.

The remedies set forth in this limited warranty are the only available to any issues that are in breach of this warranty. Bighorn shall have no liability to any person for incidental, consequential or special damages of any descriptions. Bighorn shall have no liability for user negligence and assumptions arising out of implied warranty or any other contract set by any other party. This exclusion of consequential, incidental, and special damages is independent from and shall survive any finding that the exclusive remedy failed of its essential purpose. All implied warranties (Including, but not limited to, any implied warranties of merchantability and fitness for a particular purpose) are limited in duration to the warranty period described herein. Bighorn disclaims all express warranties not stated in this warranty.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply if it is inconsistent with the controlling state law.

This limited warranty excludes failures not caused by a defect in material or workmanship. This limited warranty does not cover damage due to accidents, abuse or improper handling, maintenance, or use. This limited warranty also does not cover any engine that has been structurally altered, or when the vehicle has been used in racing competition. This limited warranty also does not cover physical damage, corrosion or defects caused by fire, explosions, or other similar causes beyond the control of Bighorn. Owners are responsible for performing the scheduled maintenance identified in the owner's manual. Bighorn may deny warranty claims for failures that have been caused by the owners or operator's improper maintenance or use, by accidents for which Bighorn has no responsibility, or by uncontrollable/natural disasters. Any qualified repair shop or person may maintain, replace, or repair the emission control devices or systems on your vehicle. An authorized Bighorn dealer can perform any service that may be necessary for your vehicle. Bighorn also recommends Bighorn parts, however equivalent parts may be used for such service (If approved by Bighorn). It is a potential violation of the Clean Air Act if a part supplied by an aftermarket parts manufacturer reduces the effectiveness of the vehicle's emission controls. Tampering with emission controls is prohibited by federal law.

No dealer is authorized to modify this Emission Control System Warranty. If you have any questions regarding your warranty rights and responsibilities, you should contact Bighorn Powersports at 1715 Lakes Parkway Lawrenceville, GA 30043.
